PARENT INFORMATION

Ski School Clothing Requirements: Thick Ski Socks, Long Underwear: Top and Bottom, Fleece layers, Neck Gaiter/Face Mask, Ski Pants and Jacket: Need to be water resistant, Gloves/Mittens: In our experience mittens are warmer, Goggles, Helmet! If your child is not dressed appropriately, they will be sent home to gather the clothing items that they are missing. This may cause them to miss ski school as the bus leaves promptly at 11AM.

If you are unable to provide these items for your kids, please contact the office and we can help!

- **January 31:** On Friday January 31st Abigail will be visiting Swan Valley Elementary School. She is a School Counselor in Lincoln County School District and has graciously agreed to visit our school when she is available. In the past she has visited with each classroom in our school about Growth Mindset, Mindfulness, Flipping Your Lid, etc. For this upcoming visit she will be visiting with students one on one to see where each student is individually with their personal progression. If you have any concerns or questions, please let Michael Jacobson or your child's teacher know.
- **February 3:** Ski School! No School! Bus leaves promptly at 11AM. Please have students ready at the school by 10:45.
