PARENT INFORMATION

Please see the updated policy that has been added to the student handbook. Effective Monday March 2, 2020.

Electronic Devices Policy

- The school strongly advises against bringing a cell phone or other personal electronic device to school and will not be held responsible in the event of theft or destruction.
- When brought to school, the cell phone must be on "Silent Mode" and left in a backpack or locker. This includes during breakfast, lunch, and recess.
- Cell phones may only be used on school property with the permission of and at the discretion of a teacher or staff member.
- Misuse of personal electronic device (wrong place/wrong time) may result in forfeit of the device for a period of time that is progressive. The number of days the device is forfeited is based on how often policy is violated.
- All students will be issued a school iPad to use as an instructional tool. The student and parent will sign Internet/Computer use agreements.
- The school has a phone in the office for parent contact or in case of emergencies. Please contact your student through the school phones if you need to contact them during the school day.

- FEB 18-MAR 31: Parent Survey Link:

- February 28: Abigail will be visiting Swan Valley Elementary School. She is a School Counselor in Lincoln County School District and has graciously agreed to visit our school again this Friday. In the past she has visited with each classroom in our school about Growth Mindset, Mindfulness, Flipping Your Lid, etc. For this upcoming visit she will be visiting with students one on one to see where each student is individually with their personal progression. If you have any concerns or questions, please let Michael Jacobson or your child's teacher know.
