

Weekly Newsletter

October 7, 2020

PARENT INFORMATION

The school will be open at 7:50AM for students to enter the building. Please do not bring students to school prior to the building being open.

Anyone entering the building from 7:50-8:00 need to enter in the gym door and receive a temperature check. If you are arriving after 8:00AM please go directly to the office to receive a temp check.

- Parents/Guardians: If you have a Veteran in the family will you please send a picture, and which branch was served, with your student to school so we can start working on our program for this year.
- Classroom Parties: This year for birthdays, Halloween, and any other classroom parties we are trying to limit cross contamination and will require that all candy/food be individually wrapped, and store bought. If you are bringing goodies in for a classroom, please drop them by the office and they will distribute them to the room.
- Our surrounding school districts are experiencing increased COVID-19 cases and as a result they are shutting down. Our number one goal is to have face-to-face instruction with our students. Please refrain from entering our building unless you have business to take care of. Please drop students at the gym or front door to go to class. The school staff will make sure that the students are taken care of and directed to class. If you would like to meet with a teacher, please make an appointment. Please only send one person in to pick up students.
- Please remember to send facemasks with your children to school. They need to have them on the bus.
- With school starting back up we want to encourage parents/guardians to discuss safety measures with your children. Please remind them to look both ways before crossing any roads. Also, please talk to them about never going anywhere with a stranger. We are still seeing an increase in travel in our little community and we want our students to stay as safe as possible.
- Fall is in the air! Please make sure that your students have layers on to keep them warm outside!
- **Oct 12-16:** National School Lunch Week.

VOLLEYBALL

All students need to have tennis shoes for the gym
Co-Ed Volleyball practice will continue through the end of October.
Girls only basketball practice will start in November.

- 3rd-5th grade practice Monday at 3:15-4:30
- 6th-8th Grade Practice Tuesday, Thursday, and Friday at 3:15-4:30
