#### Hiring Process and Criteria

The Board of Trustees has the legal responsibility of hiring all employees. The Board assigns to the Superintendent the process of recruiting staff personnel. The Superintendent may involve various administrative and teaching staff as may be needed in recruiting potential personnel. All personnel selected for employment must be recommended by the Superintendent or designee and approved by the Board. All personnel selected for employment must also go through the applicable screening process outlined in Idaho Code 33-1210.

To aid in obtaining quality staff members, the following non-exclusive list of factors will be considered, along with any other factors relevant to the position: qualifications, training, experience, personality, character, and ability to relate well with students. Every effort will be exerted to maintain wide diversity in staff experience and educational preparation. However, the welfare of the children of the District will be a paramount consideration in the selection of teachers and administrators.

This policy shall be made available to any District employee or person seeking employment with the District.

#### Guidelines

1. There will be no discrimination in the hiring process. See Policy 5120.
2. Applicants for teaching positions shall provide evidence of meeting State requirements for certification and sign a statement authorizing current and past school district employers, including those outside the state of Idaho, to release to the District all information relating to job performance or job related conduct, and making available to the District copies of all documents in the applicant's previous personnel files, investigative, or other files. Such statement will also release the applicant's current and past employers from any liability for providing such information and documentation. Applicants who do not sign the statement/release shall not be considered for employment. The District will consider information received from current and past school district employers only for the purpose of evaluating applicants' qualifications for employment in the position for which they have applied and no one shall disclose such information to anyone, other than the applicant, who is not directly involved in the process of evaluating the applicants' qualifications for employment. Applicants may be employed on a non- contracted provisional basis as allowed by law. Applicants shall not be prevented from gaining employment if current or past out-of-state employers are prevented from or refuse to cooperate with the District's request. See Forms 5100F1 and 5100F2.

3. Applicants for elementary applicants should have a major or its equivalent in elementary education or in the special area of assignment(s). Applicants for specific teaching positions shall also meet the applicable State standards.
4. Applicants for all teaching positions should have a minimum over-all grade point average of 2.5 (A-4, B-3, C-2, D-1). All candidates should have a grade point average of 2.75 in their respective major teaching field(s).
5. As required in Idaho Code 65-505, the District will observe preference for veterans and disabled veterans when considering hiring employees to fill vacancies, selecting new employees, or implementing a reduction in force.
6. As required in Idaho Code 33-130 and 33-512(15), the District will conduct a criminal history check for applicable positions. See Policy 5110.
7. Each newly hired employee must complete an Immigration and Naturalization Service form, as required by federal law.

The employment of any certified staff member is not official until the contract is approved by the Board and signed by both the Board Chair and the applicant.

To assist administrators in compliance with the above policy for the hiring of professional staff, the following guidelines shall be utilized:

#### Notice of Vacancies

Vacancies will be posted after the Board has approved written resignation from a contracted professional employee of the District, a termination or non-renewal has occurred, a release from contract has been granted, a new position is created within the District, or a vacancy has otherwise occurred. When that official resignation has been received or a position is otherwise available, the Superintendent will post notices in all school buildings and the District Office.

The Superintendent's Office will post notice of any vacancy within the District for 5 school days for current teachers or administrators to apply for the position.

1. Upon the conclusion of the 5 school day period, the administrator will review all requests to apply for the open position. The building/program administrator will have the responsibility to interview all final applicants who meet the qualifications needed for the position, and may or may not make recommendation for such applicants after review.
2. If an applicant is recommended by the administrator and such transfer would create a vacancy in another location, notice of that vacancy will be posted as specified above, with the exception that if the same grade level vacancy for the school has already been posted, the above building notice requirement may be waived and the existing applicant pool utilized.
3. Should the building/program administrator determine that he or she does not wish to accept the request of any internal applicants, or no internal applicants have requested to apply, the administrator will prepare a job notice to be posted externally.

4. An application or letter of interest will be maintained within the District file for a period of one year from the date of inquiry. It is the responsibility of any applicant who desires to be considered for positions within the District to reactivate his or her file annually.
5. The Superintendent may deviate from the processes outlined in sections A through E above if he or she determines that such deviation is in the best interest of the District.

### Screening

1. The building or program administrator may establish a committee to assist in the final screening process.
2. The committee, upon receiving the written applications from the appropriate administrator, will review those applications for the purpose of:
  - A. Determining those most suited to the position;
  - B. Making personal telephone contact with one or more references submitted by the applicant;
  - C. Contacting individuals who might know the candidate, but were not listed as references, if needed; and
  - D. Inviting the top candidates to be interviewed for the position.
3. The committee will establish the procedures at the building or program level for interviewing the successful applicants.
4. For those applicants who have no prior public school work experience or whose out-of-state former employers will not release documentation requested pursuant to I.C. § 33-1210, the screening committee or administrator may engage in whatever background checks it deems appropriate, but at a minimum shall verify all prior work experience and educational achievement listed by the applicant as the committee or administrator deems appropriate, preferably by contacting the prior employers and/or educational institutions listed by the applicant, and shall communicate with every person listed as a reference by the applicant.

### Acceptance Procedure

Once the Committee has selected the final candidate, the name will be provided to the Superintendent who will review the applicant's credentials. If the Superintendent concurs with the recommendation, the Superintendent will:

1. Authorize a statement of intention to employ, pending Board approval, to be made to the candidate.
  - A. If, at the time the statement of intention to employ is made, the District has not yet received documentation requested pursuant to I.C. 33-1210(3), the District may provisionally employ such applicant on a non-contracted basis for up to 30 days after receipt of the documentation. Within that thirty-day time period, the Board may issue a written statement to the applicant identifying why a standard contract will not be issued and specifying which information justifies such decision. The Board may not identify any reason

for non-issuance of a standard contract not based on the documentation received. If, within 30 days from the receipt of the information requested pursuant to I.C. 33-1210(3) no contract is issued or the written statement of non-employment is not provided to the applicant, the employee will be deemed to be employed pursuant to a Category 1 contract. During this provisional employment, the applicant shall be provided the same compensation and benefits as if the employee had been employed on a standard certificated contract.

If no documentation is received from out of state employers, the District may employ the applicant on a standard Category 1 contract without utilizing the provisional, non-contracted employment.

- B. Upon receiving a verbal or written statement of intention to accept employment, pending Board approval, by the candidate, the Superintendent will prepare the necessary papers for recommendation to the Board of Trustees at the next regular or special Board meeting.
- C. Submit to the Board of Trustees such recommendation.

#### Board Action

The Board of Trustees will:

1. Have placed before it all candidate names for the position; and
2. Discuss hiring and in situations wherein the individual qualifications of the applicant are discussed go into executive session pursuant to law; and
3. Vote relating to approval or disapproval of the candidates. If members of the Board personally have knowledge not available to the building administrator and the screening committee the Board will not take action until all concerns have been reviewed by the building administrator.

#### Approval

Upon approval by the Board of Trustees, a contract, in a form approved by the State Superintendent of Public Instruction, will be sent or given to the applicant pursuant to the requirements set out in I.C. 33-513. The applicant must sign the contract and return it within ten days from the date the contract is delivered to them. Should the person willfully refuse to acknowledge receipt of the contract or the contract is not signed and returned to the Board in the designated period of time, the Board or designee may declare the position vacant. Should the candidate not be approved, or the person willfully refuse to acknowledge receipt of the contract or the contract is not signed and returned to the Board, the Superintendent will remand the situation to the screening committee to provide the next applicant's name for consideration.

Any person on provisional employment pursuant to I.C. 33-1210(7) shall be subject to the same time limits and provisions for return of a signed contract when and if such contract shall be provided to them for signature.

Certification

To qualify for employment, each teacher or administrator must have, and maintain during the entire school year, a valid Idaho teaching/administrative certificate on file in the District Office at the beginning of the school year. If at any time the teacher/administrator's certification lapses, is revoked, or suspended, the certificated employee may be subjected to action declaring a contract violation and possible action to terminate the employment of the individual with the District.

Procedures for Obtaining Personnel Records for Applicants

1. Before hiring an applicant for employment in a certificated or non-certificated position the District shall have the applicant sign the statement/release (form 5100F1) and provide a list of their previous employers. The list may be obtained via resume or application. The District will not hire an applicant who refuses or fails to sign the statement/release.
2. The signed statement/release will then be sent by the District to all of the applicant's current or past, in state or out of state, school district employers along with a request for information relating to job performance and/or job-related conduct (Form 5100F2).

**Note:** The District does not have to request the information for all applicants. The District only has to request the information for the applicant(s) who are considered being offered the position. However, in the interests of timeliness, as it may take up to 20 days to receive such information, the District may request the information of every applicant who has sent a signed statement/release.

3. The District may follow up with current or past school district employers if the information requested has not been received within 25 days from the date the request was sent. The District may hire non-certificated applicants on a conditional basis pending receipt of the information requested. Applicants shall not be prevented from being hired if an out of state current or past school district employer refuses to comply with the request. The District will attempt to obtain a written refusal along with the reason for the refusal from the non-compliant out of state school district employer. The written refusal shall be kept as a part of the applicant's file. The Board directs the Superintendent to establish steps to be taken in confirming prior work experience and checking references of new employees whose former employers refuse to release documentation, and for those with no prior public school work experience.
4. The District shall also request State Department of Education verification of certification status as well as any past or pending violations of the Professional Code of Ethics and information related to the job performance of the applicants for any certificated position (form 5100F3).
5. When such information and documentation is not received prior to screening or interviews, the District will review such information no less than 30 days after it has been received. If an applicant has been offered provisional employment pursuant to I.C. 33- 1210(7), the District should review the documentation within ten days of receipt. If a written statement of non-employment is to be provided to the provisional employee, it shall be provided before the end of 30 days after the receipt of the documents. If the provisional employee is to be employed by the District, a written contract should be provided prior to the end of the 30 day period. It is the

goal of the District to avoid any situation where an applicant or provisional employee is employed by default or without a written contract.

6. The District shall use information received from applicant's current or past employers only for the purposes of evaluating an applicant's qualifications for employment in the position for which the applicant has applied. No Board member or District employee shall disclose the information received to any person, other than the applicant, who is not directly involved in the process of evaluating the applicant's qualifications for employment.

#### Veteran's Preference

The District shall give preference in hiring, and in the case a reduction in force, consideration for a retention, to veterans, unmarried widows and widowers of veterans, and the spouse of any veteran who is unable to work in public employment due to a service-connected disability. Such applicants shall be referred to as "preference eligible applicants" throughout this policy.

This preference does not apply to temporary positions or to appointments to the Board. For the purpose of this policy, "veterans" means any person who has been discharged or released from active duty in the armed forces under honorable conditions who served on active duty for at least 180 consecutive days.

The District shall post this procedure on the District's website and shall note on all announcements and advertisements of applicable vacancies that preference will be given to preference eligible applicants. Applications for qualifying positions shall ask whether the applicant is claiming veterans' preference and whether the applicant has previously claimed such a preference. The form shall also indicate what documentation is required to confirm veteran status.

Any application for a position submitted by a preference eligible applicant shall be considered, provided it is received before a candidate is chosen to fill the position, regardless of whether the application is received before the deadline to receive applications.

The District shall interview all preference eligible applicants who qualify for the position for which they have applied unless the total number of preference eligible applicants applying for a position exceeds ten.

A preference eligible applicant shall be hired in cases where no other employee is more qualified or there is no articulable reason to select another candidate.

#### Appeal Process

If an applicant or employee believes they have been denied preference to which they are entitled under this procedure, they may appeal the decision within 35 days of the alleged

denial of preference by submitting a written request for appeal to the Board clerk. Such request must include:

2. A request for either a telephonic or a face-to-face hearing. In the former case, the telephone number where a telephonic hearing may be conducted must be included;
3. The position applied for (if applicable);
4. A brief statement of the applicant or employee's basis of eligibility for a preference;
5. A brief statement of the issues the applicant or employee proposes to raise at the hearing; and
6. Any dates or times the petitioner or the petitioner's attorney cannot be available for a hearing.

The Board shall direct the Superintendent to notify the applicant or employee of the time and date of the hearing and that the Board shall be the presiding officer at the hearing. Such notice shall be provided at least seven days before the hearing and indicate:

1. Whether the meeting will be by phone or in person;
2. The location of the meeting, if it will be held in person. In person meetings may only be held in the city where the position is located unless the parties agree otherwise; and
3. The address to which relevant documents must be sent.

The hearing shall be held within 35 days of receipt of the request unless good cause to extend the hearing is shown by the Board or by the applicant/employee, in which case the hearing must be held within 70 days.

Prior to the hearing, each side shall notify the others of the witnesses they intend to call and provide one another with copies of any documents to be presented. Evidence may be considered or rejected in accordance with IDAPA 21.01.06.103.03.

The applicant or employee may be represented by an attorney, at their own expense, if they chose.

The Board shall issue a written order reflecting its decision on the matter within 35 days of the hearing. The order shall include:

1. Specific findings on all major facts at issue;
2. A reasoned statement in support of the decision;
3. All other findings and recommendations of the Board;
4. A preliminary decision finding that a preference was or was not applied by the public employer as required by Idaho law;

Such termination or non-renewal shall be carried out in accordance with State law and administrative rules and District policy. Personnel who hold an interim certificate and/or emergency authorization and have not been issued their five-year renewable certificate shall not exceed a Category 3 Contract until conditions have been met.

Notice:

1. Category 1 certificated employees' contracts are specifically offered for the limited duration of the ensuing school year, and no further notice is required by the District to terminate the contract at the conclusion of the contract year.
2. Category 2 certificated employees shall be provided a written statement of reason for non- reemployment by no later than July 1st and are not entitled to a review of the reasons or decision not to reemploy by the Board.
3. Category 3 certificated employees shall be provided a written statement of reason for non- reemployment by no later than July 1st and shall, upon written request, be given the opportunity for an informal review of such decision by the Board. The parameters for the informal review will be determined by the Board. Before the Board determines not to renew the contract for the unsatisfactory performance of category 3 certificated employees, such employees shall be entitled to a defined period of probation as established by the Board, following at least one evaluation. In no case shall the probationary period be less than eight weeks. The probation shall be preceded by written notice from the Board, with the reasons for the probationary period and the areas of work which are deficient and with provisions for adequate supervision and evaluation of the employees' performance during the probationary period.
4. Contracts for all renewable contracted certificated employees shall be issued by July 1st. All employees on renewable contracts must timely return their contract. The employee's failure to timely return a renewable contract may be interpreted by the Board as a declination of the right to automatic renewal or the offer of another contract. Before the Board determines not to renew the contract for the unsatisfactory performance of renewable contracted certificated employees, such employees shall be entitled to a defined period of probation as established by the Board, following an observation, evaluation, or partial evaluation. The probation shall be preceded by written notice from the Board, or its designee, with the reasons for the probationary period and with provisions for adequate supervision and evaluation of the employees' performance during the probationary period.
5. Contracts for retired teachers are specifically offered for the limited duration of the ensuing school year, and no further notice is required by the District to terminate the contract at the conclusion of the contract year.

Supplemental Contracts

An extra duty assignment is, and extra duty supplemental contracts may be issued for, an assignment which is not part of a certificated employee's regular teaching duties. A supplemental contract for extra duties shall be separate and apart from the certificated employee's underlying contract (Category 1, 2, 3 or renewable) and no property rights shall attach. A written notice of non-reissuance of the extra duty supplemental contract with a written statement of reasons shall be provided. Upon written request, the certificated employee shall be given the opportunity for an informal review of such decision by the Board. The parameters for the informal review will be determined by the Board. The contract shall be in a form approved by the state superintendent of public instruction.

An extra day assignment is, and supplemental extra day contracts, may be issued for, an assignment of days of service in addition to the standard contract length used for the majority of certificated employees of the District. Such additional days may be in service of the same activities as the employee's regular teaching duties. Any such extra day contracts shall provide the same daily rate of pay and rights to due process and procedures as provided by the certificated employee's underlying contract (Category 1, 2, 3 or renewable). The contract shall be in a form approved by the state superintendent of public instruction.

#### Delivery of Contract

Delivery of a contract may be made only in person or by certified mail, return receipt requested. If delivery is made in person, the delivery must be acknowledged by a signed receipt.

#### Return of the Contract

A person who receives a proposed contract from the district shall have 7 days (no less than ten days) from the date of delivery to sign and return the contract.

#### Failure to Accept or Acknowledge

Should a person willfully refuse to acknowledge receipt of the contract or the contract is not signed and returned to the Board within the designated time period, the Board may declare the position vacant.

## Informal Review

The following events and circumstances create a right allowing the specified employees to request an Informal Review for the Board's decision to not reemploy or reissue an employment contract:

1. Non-reemployment of Category 3 Contract teachers;
2. An administrative employee reassignment;
3. Non-reissuance of Supplemental Extra-Day Contracts; and
4. Any other circumstance specified in Idaho law creating a right to request an informal review.

The parameters for the Informal Review will be determined by the Board.

The request for an Informal Review must be in writing and include a statement explaining the reasoning for disagreement with the Board's decision. The statement must not exceed to two pages.

The district will use the following procedure:

1. The employee must request, in writing, an Informal Review within 7 days of the date notice of the events creating a right to Informal Review, discussed above is mailed or hand delivered to the employee. The request must be submitted to the Board Clerk. Failure to request Informal Review within 7 days will result in the employee waiving the right to an Informal Review.
2. The employee will be given an opportunity to meet with the Board in executive session within 21 days of the date that the request for Informal Review is submitted to the Board, or alternately, at the next regularly scheduled Board meeting, as determined by the Board. At the option of the Board, the employee may be permitted to provide the Board with documentation in support of the employee's position. The Board, in its discretion, may limit the amount of time allotted for presentation of any additional information by the employee during the Informal Review.
3. The Administration shall have the right to be present during the Informal Review and may respond to the employee's presentation and/or respond to any inquiries by the Board.
4. The Board shall make a decision to uphold the earlier employment decision, or make some other decision regarding the issue(s) raised during the executive session. Such decision must be made by the Board in open session, identifying the employee by number or letter (i.e.: "Subsequent to the Informal Review, the Board upholds the prior employment decision regarding employee "A").
5. The Board may notify the employee, in writing, of its final decision in the matter within fifteen (15) days of the date of the Informal Review.

The employee does not have the right to be represented by an attorney or a representative of the state teachers' association, present evidence other than that detailed above and

present and cross-examine witnesses unless specifically agreed to by the Board. The Board may elect to ask questions of the employee or administrator present at the Informal Review, but this does not confer upon the employee the right to ask questions of the Board or the Administration.

## Criminal History/Background Checks

### General

It is the policy of the District not to employ or to continue the employment of classified, professional or administrative personnel who may be deemed unsuited for service by reason of arrest and/or criminal conviction. While an arrest or conviction of a crime, in and of itself, may not be an automatic bar to employment, if an arrest or conviction relates to suitability of the individual to perform duties in a particular position, such person may be denied employment or, in the case of current employees, may face disciplinary action up to and including termination.

It is the policy of this District to perform criminal history checks as required by Idaho law and to perform other types of background checks on employees or volunteers including, but not limited to:

1. Contacting prior employers for references;
2. Contacting personal references; and/or
3. Contacting other persons who, in the discretion of the District, could provide valuable information to the District.

Where a prior conviction is discovered, the District will consider the nature of the offense, the date of the offense, and the relationship between the offense and the position for which application is sought, or the person is employed. Any individual convicted of a felony offense listed in I.C. § 33-1208(2) shall not be hired.

If an applicant or employee makes any misrepresentation or willful omissions of fact regarding prior criminal history, such misrepresentation or omission shall be sufficient cause for disqualification of the applicant or termination of employment.

### Initial Hires

In order to protect the health, safety and welfare of the students of the District, Idaho law requires the following employees hired on or after July 1, 2008 to submit to criminal history checks. This list is to include, but is not limited to:

1. Certificated and non-certificated employees;
2. All applicants for certificates;
3. Substitute staff;
4. Individuals involved in other types of student training such as practicums and internships; and
5. All individuals who have unsupervised contact with students.

A criminal history check shall be based on a complete ten finger card or scan and include, at a minimum, the following:

1. Idaho bureau of criminal identification;
2. Federal Bureau of Investigation (FBI) criminal history check; and
3. Statewide sex offender register.

Employees will be required to undergo a criminal history check within five days of.

The forty-dollar (\$40.00) fee charged for an employee background check shall be paid by the district. All criminal history check records will be kept on file at the state department of education. A copy of the records will be given to the employee.

### Employee Arrest or Conviction

All employees shall have the continuing duty to notify the District of any arrest or criminal conviction that occurs subsequent to being hired by the District. In the event that any employee, whether full-time or part-time, probationary or non-probationary, classified or certified, is arrested, charged, or indicted for a criminal violation of any kind, whether misdemeanor or felony, with the exception of minor traffic infractions, he or she is required to report such arrest promptly to the employee's supervisor or department head within one business day unless mitigating circumstances exist. This reporting requirement applies regardless of whether such arrest has occurred on-duty or off-duty. Failure to comply with this reporting requirement shall be grounds for disciplinary action, up to and including termination.

Additionally, if an employee has a protection order served against him or her, the employee shall follow the same reporting requirements as outlined above.

The District reserves the right to determine appropriate disciplinary action in such cases, up to and including termination, depending upon the facts and circumstances surrounding the incident.

It is the discretion of the District to terminate or take other action against any employee that has either been convicted of one or more of the felony offenses set forth in I.C. § 33-1208 or made a material misrepresentation or omission on their job application.

### Substitute teachers

The State Department of Education shall maintain a statewide list of substitute teachers. To remain on the statewide substitute teacher list, the substitute teacher shall undergo a criminal history check every five years. If a substitute teacher has undergone a criminal history check within five (5) years as a result of employment with another District, the District, may in its sole discretion, not require a substitute to undergo a criminal history check. If the District does desire substitute teacher who has undergone a criminal history check within the last five (5) years to undergo an additional criminal history check, the District will pay the costs of such check.

### Other Employees

The District may require that any employees be subjected to criminal history checks. If required, the District will pay the costs of such checks.

### Volunteers

Any volunteer in the District who has regular unsupervised access to students, as determined by the Superintendent or the Superintendent's designee, shall submit to a fingerprint criminal background investigation conducted by the appropriate law enforcement agency prior to consideration for volunteering in the schools of this District.

Any requirement of a volunteer to submit to a fingerprint background check shall be in compliance with the Volunteers for Children Act of 1998 and applicable federal regulations. If a volunteer has any prior record of arrest or conviction by any local, state, or federal law enforcement agency for an offense other than a minor traffic violation, the facts must be reviewed by the Superintendent, who shall decide whether the volunteer is suitable to be in the presence of the students in the District. Arrests resolved without conviction shall not be considered in the hiring process unless the charges are pending.

### Contractors

The District maintains a safe environment for students by developing a system that cross-checks all contractors or other persons who have irregular contact with students against the statewide sex offender register.

### Confidentiality

Outstanding warrants, criminal charges, and/or protective orders may be confidential. An employee who is provided access to such information relating to another employee shall ensure that the information remains confidential. If an employee discloses such information without authorization, the employee shall be subject to disciplinary action.

Reporting New Employees

The Idaho Legislature has established an automated State directory of new hires to be administered by the Idaho Department of Labor (herein after “Department”). The State directory of new hires provides a means for employers to assist in the State’s efforts to prevent fraud in the welfare, worker’s compensation, and unemployment insurance programs; to locate individuals to establish paternity; to locate absent parents who owe child support; and to collect support from those parents by reporting information concerning newly hired and rehired employees directly to a centralized State database.

The District will report the hire or rehire of an individual by submitting to the department a copy of the employee’s completed and signed United States internal revenue service form W-4 (employee’s withholding allowance certificate). Before submitting the W-4 form, the District will ensure that the W-4 form contains the following information:

1. The employee’s name, address, and social security number;
2. The District’s name, address, and federal tax identification number;
3. The District’s Idaho unemployment insurance account number, which must be designated at the bottom of the form; and
4. The employee’s date of hire or rehire, which must be designated at the bottom of the form.

This District will report the hiring or rehiring of any individual to the department within 20 calendar days of the date the employee actually commences employment for wages or remuneration. The report will be deemed submitted on the postmarked date or, if faxed or electronically submitted, on the date received by the Department. A copy of the report will be retained by the District, and the copy will set forth the date on which the report was mailed, faxed, or electronically transmitted.

Should the District choose to file its report electronically, the District will comply with the Department’s regulations of such transmissions. Electronically transmitted reports will be filed by two monthly transmissions if necessary, not less than 12 days apart and not more than 16 days apart.

The District is not liable to the employee for the disclosure or subsequent use of the information by the Department or other agencies to which the Department transmits the information.

#### Applicability of Personnel Policies

Except where expressly provided to the contrary, personnel policies apply uniformly to the employed staff of the District. However, where there is a conflict between the terms of a collective bargaining agreement and the District's policy, the law provides that the terms of the collective bargaining agreement shall prevail for the staff covered by that agreement.

When a matter is not specifically provided for in an applicable collective bargaining agreement, the policies of the Board to effectively and efficiently manage the District shall govern.

Classified employees are employed at will and the District policy manual is not intended to express a term of an employment agreement. The provisions of this policy manual do not create a property right which would modify the District's right to terminate the employment relationship of classified employees at will.

#### Work Day

For purposes of this policy, workday for certificated employees is defined as the time an employee is expected to be on the school's premises. The Board and administration recognize that certificated teaching professionals put in hours far in excess of those hours which they are expected to be at the school; however, this excess time is not considered as part of the work day for the purposes of this policy.

Work day for classified employees is defined as the length of time of scheduled work for the individual classified employee. No work outside of this time frame is expected, required, or approved.

The length of a workday for a certified employee shall be Seven and One-Half (7 1/2) hours for a full-time certified employee. The workday is generally exclusive of lunch and extracurricular assignments, but inclusive of preparation time and assigned duties. Arrival time shall generally be one-half (1/2) hour before classes begin or as otherwise directed by the building principal.

Other conditions pertaining to certified workday, preparation periods, lunches, etc., are found in the employee handbook approved by the Board of Trustees. Such handbooks may change from time to time and the Board for each school year will approve a new handbook.

#### Length of Work Day - Classified

The length of a classified workday is governed by the number of hours for which the employee is assigned. A "full-time" employee shall be considered to be seven and one half (7 1/2) hours per day, thirty-seven and one half (37 1/2) hours per week employee. The workday is exclusive of lunch but inclusive of breaks unless otherwise and specifically provided for by the individual contract. The supervisor will establish the schedule. Sexual Harassment/Sexual Intimidation in the Workplace

According to the Equal Employment Opportunity Commission, sexual harassment is defined as unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature, including unwanted touching, verbal comments, sexual name calling, gestures, jokes, profanity, and spreading of sexual rumors.

The District shall do everything in its power to provide employees an employment environment free of unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct or communications constituting sexual harassment, as defined and otherwise prohibited by state and federal law.

District employees shall not make sexual advances or request sexual favors or engage in any conduct of a sexual nature when:

1. Submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment;
2. Submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual; or
3. Such conduct has the purpose or effect of substantially interfering with the individual's work performance or creating an intimidating, hostile, or offensive working environment.

Sexual harassment prohibited by this policy includes verbal or physical conduct. The terms "intimidating", "hostile", or "offensive" include, but are not limited to, conduct which has the effect of humiliation, embarrassment, or discomfort. Sexual harassment will be evaluated in light of all of the circumstances.

Aggrieved persons who feel comfortable doing so, should directly inform the person engaging in sexually harassing conduct or communication, that such conduct or communication is offensive and must stop.

Employees who believe they may have been sexually harassed or intimidated should address the matter as described in Policy 3085 and Procedure 3085P. An individual with a complaint alleging a violation of this policy which does not fall within the scope of Policy 3085 and Procedure 3085P shall follow the Uniform Grievance Procedure.

## Investigation

If an allegation of sexual harassment is found to not fall within the scope of Policy 3085 and Procedure 3085, but still claims conduct which violates this policy, the designated school officials will take immediate steps to:

1. Protect the grievant from further harassment;
2. Discuss the matter with and obtain a statement from the accused and his or her representative, if any;
3. Obtain signed statements of witnesses; and
4. Prepare a report of the investigation.

## Confidentiality

Due to the damage that could result to the career and reputation of any person accused falsely or in bad faith of sexual harassment, all investigations and hearings surrounding such matters will be designed, to the maximum extent possible, to protect the privacy of, and minimize suspicion towards, the accused as well as the complainant. Only those persons responsible for investigating and enforcing this policy will have access to confidential communications, unless otherwise required by Policy 3085 or Procedure 3085P. In addition, all persons involved in an allegation which falls within the scope of this policy, and not within the scope of 3085 or 3085P are prohibited from discussing the matter with coworkers and/or other persons not directly involved in resolving the matter.

A violation of this policy may result in discipline, up to and including discharge. Any person making a knowingly false accusation regarding sexual harassment will likewise be subject to disciplinary action, up to and including discharge.

Certificated Staff Grievances

It is the Board's desire that procedures for settling certificated staff grievances be an orderly process within which solutions may be pursued. Further, that the procedures provide prompt and equitable resolution at the lowest possible administrative level. Additionally, it is the Board's desire that each certificated employee be assured an opportunity for orderly presentation and review of grievances without fear of reprisal.

Grievance Definition

A grievance pursuant to this policy shall be a written allegation of a violation of Board approved District policies or a written allegation of a violation of the Master Agreement between the District and the teachers' association.

Grievance Procedure

The District will first review the collective bargaining agreement for any applicable grievance procedures. If such a provision exists, such procedures shall govern the resolution of certificated staff grievances.

A staff member with a grievance is encouraged to first discuss it with their immediate supervisor, with the objective of resolving the matter promptly and informally. An exception is that complaints of sexual harassment should be addressed according to Policy 3085 and Procedure 3085P, and violation of any other protected status should be discussed with the first line administrator that is not involved in the alleged grievance harassment. This attempt at informal resolution is not a required component of the grievance policy but is suggested in an effort to attempt to resolve disputes informally.

If the grievance is not resolved informally, and the grievant wishes to continue to seek to address the grievance, the grievant shall file the written grievance with their immediate building principal. The written grievance shall state:

1. The policy or provision of the Master Agreement the employee believes was violated;
2. The alleged date of violation;
3. The actor involved in the alleged violation; and
4. The remedy requested by the employee.

The written grievance must be filed with the Superintendent within ten working days of the date of the initial event allegedly giving rise to the grievance.

The Superintendent or designee shall meet with the grievant and shall, at the discretion of the principal or designee, conduct whatever additional meetings or investigative activities the principal or designee believes are necessary to address the grievance.

Subsequent to these activities and within a period of ten working days, the Superintendent shall provide the grievant with a written response to the grievance of the certificated employee.

If the grievant is not satisfied with the decision of the Superintendent, the Board is the next avenue for appeal. A written appeal must be submitted to the Board within five days of receiving the Superintendent's decision. The Board is the policy-making body of the District, however, and appeals to that level must be based solely on whether or not policy has been followed. Any individual appealing a decision of the Superintendent to the Board bears the burden of proving a failure to follow Board policy.

Upon receipt of a written appeal of the decision of the Superintendent, and assuming the individual alleges a failure to follow Board policy, the matter shall be placed on the agenda of the Board for consideration not later than their next regularly scheduled meeting. A decision shall be made and reported in writing to all parties within 30 days of that meeting. The decision of the Board will be final.

Abused and Neglected Child Reporting

The personal safety and welfare of each child is of paramount concern to the Board of Trustees, employees, and patrons of the School District. It is of particular importance that employees within the District become knowledgeable and thoroughly educated as to their legal and ethical responsibilities regarding observation and reporting of suspected child abuse, child abandonment, or child neglect. The Superintendent shall review with staff the legal requirements concerning suspected child abuse at the commencement of each year.

"Abuse" is defined in I.C. § 16-1602 of the Idaho Code as any case in which a child has been the victim of conduct or omissions resulting in skin bruising, bleeding, malnutrition, burns, fracture of any bone, subdural hematoma, or soft tissue swelling. Abuse is further defined in I.C. 16-1602 to include sexual conduct including rape; molestation; incest; prostitution; obscene or pornographic photographing, filming, or depiction for commercial purposes; or other similar forms of sexual exploitation harming or threatening the child's health or welfare or mental injury to the child. Abuse also includes abandonment and neglect.

"Abandoned" is defined as the failure of the parent to maintain a normal parental relationship with his child including, but not limited to, reasonable support or regular personal contact. Failure to maintain this relationship without just cause for a period of one year is evidence of abandonment. I.C. § 16-1602(2).

"Neglected" means a child:

*Who is without proper parental care and control, or subsistence, education, medical or other care or control necessary for his or her well-being because of the conduct or omission of his parents, guardian or other custodian or their neglect or refusal to provide them with these items;*

-I.C. § 16-1602(25).

A District employee, who has reasonable cause to suspect that a student may be an abused, abandoned or neglected child or who observes a child being subjected to conditions, which would reasonably result in abuse, abandonment or neglect, shall report such a case to local law enforcement or the Department of Health and Welfare within twenty-four (24) hours.

The employee shall notify the Superintendent or Principal that a report has been made by the employee. An employee does not discharge the obligation to personally report by notifying the Superintendent or Principal.

Any person who has reason to believe that a child has been abused, abandoned, or neglected and, acting upon that belief, makes a report of abuse, abandonment, or neglect as

required in Idaho Code § 16-1605 is immune from any liability, civil or criminal, that might otherwise be incurred or imposed. Any person who reports that a child has been abused, abandoned, or neglected in bad faith or with malice is not entitled to immunity from any civil or criminal liability that might otherwise be incurred or imposed, per I.C. § 16-1606.

In addition, according to I.C. § 16-1607:

*Any person who makes a report or allegation of child abuse, abandonment, or neglect knowing the same to be false or who reports or alleges the same in bad faith or with malice shall be liable to the party or parties against whom the report was made for the amount of actual damages sustained or statutory damages of five hundred dollars (\$500), whichever is greater, plus attorney's fees and costs of suit. If the court finds that the defendant acted with malice or oppression, the court may award treble actual damages or treble statutory damages, whichever is greater.*

Any District employee who fails to report a suspected case of abuse, abandonment or neglect to the Department of Health and Welfare or local law enforcement, or who prevents another person from doing so, may be civilly liable for the damages proximately caused by such failure or prevention, and is guilty of a misdemeanor. The employee will also be subject to disciplinary action up to and including termination.

Employee Responsibilities Regarding Student Harassment, Intimidation, and Bullying

The personal safety and welfare of each child is of paramount concern to the Board of Trustees, employees, and patrons of the District. It is of particular importance that employees within the District become knowledgeable and thoroughly educated as to their legal and ethical responsibilities regarding intervention and reporting of student harassment, intimidation, and bullying.

Intervention shall be designed to:

1. Correct the problem behavior;
2. Prevent another occurrence of the problem;
3. Protect and provide support for the victim of the act; and
4. Take corrective action for documented systemic problems related to harassment, intimidation, or bullying.

Professional Development

The District shall provide ongoing professional development to assist school employees in preventing, identifying, intervening, and responding to harassment, intimidation, and bullying.

The content of ongoing professional development for District employees shall include, but is not limited to:

1. School philosophy regarding school climate and student behavior expectations;
2. Definitions of harassment, intimidation, and bullying with specific examples;
3. School prevention strategies or programs including the identification of materials to be distributed annually to students and parents;
4. Expectations and examples of staff intervention to harassment, intimidation, and bullying; and
5. School process for responding to harassment, intimidation, and bullying including the reporting process for students and staff, investigation protocol, the involvement of law enforcement, related student support services, and parental involvement.

## Student Discipline

When disciplinary action is necessary for students engaging in harassment, intimidation and bullying, employees shall follow relevant District policies [3330 and 3340].

## Reporting

Any District employee who has witnessed, or has reliable information, that a student has been subject to harassment, intimidation or bullying, must report the incident to the designated school official in accordance with District policy and procedure [3295 and 3295P].

Knowingly submitting a false report under this policy shall subject the employee to discipline up to and including termination.

The Superintendent and/or their designee shall be responsible for receiving complaints alleging student harassment, intimidation, and bullying and will ensure that documented complaints will be maintained as a confidential file in the District office and reported as required by the State Department of Education.

## Policy Distribution

The Superintendent or designee shall annually distribute and review with employees the requirements, policies, and procedures to be followed concerning the handling of student harassment, intimidation, and bullying and shall include this information in employee handbooks. All new employees will be given these policies and procedures as part of their orientation program.

Personal Conduct

Employees are expected to maintain high standards of honesty, integrity and impartiality in the conduct of District business and required to comply and conform to the Idaho law and the Code of Ethics of the Idaho Teaching Profession.

In addition to the conduct enumerated in Idaho law and the Code of Ethics of the Idaho Teaching Profession, an employee should not dispense or utilize any information gained from employment with the District, accept gifts or benefits, or participate in business enterprises or employment which create a conflict of interest with the faithful and impartial discharge of the employee's District duties. A District employee may, prior to acting in a manner, which may impinge on any fiduciary duty, disclose the nature of the private interest which creates a conflict. Care should be taken to avoid using, or avoid the appearance of using, official positions and confidential information for personal advantage or gain.

Further, employees should hold confidential all information deemed to be not for public consumption as determined by law and Board policy. Employees shall also respect the confidentiality of people served in the course of the employee's duties and use information gained in a responsible manner. Discretion should be employed even within the school system's own network of communication.

Administrators and supervisors may set forth specific rules and regulations governing an employee's conduct on the job within a particular building.

Personnel Conflict of Interest

It is not uncommon for a District to employ people who are related to one another or romantically involved with one another. However, it is inappropriate for one family member or romantic partner to have direct influence over the other's conditions of employment (i.e., salary, hours worked, shifts, evaluation, etc.).

For the purpose of this policy, family member or romantic partners are defined as spouse, domestic partner, daughter, son, parent, grandparent, grandchild, sister, brother, mother-in-law, father-in-law, daughter-in-law, or son-in-law.

In any case, when employees are unsure about a potential conflict, they should fully disclose the circumstances in writing to their supervisor. If one family member or romantic partner has influence over another family member or romantic partner's conditions of employment, the following should occur:

1. In collaboration with the supervisor, the involved employees will be provided 30 days to make a decision regarding a change. Options include, but are not limited to:
  - A. One employee applying to transfer to another area; or,
  - B. Revising the reporting structure in the department so that one employee no longer has direct influence over the other employee's conditions of employment; or
2. If a decision is not reached by the end of the thirty-day period, the department head, or next level of administrator, will resolve the situation.

Nothing in this policy shall require the Superintendent or Board, in the case when the conflict of interest directly relates to the Superintendent, to transfer an employee to a different position in an effort to avoid a conflict of interest if doing so would not be in the best interest of the District.

### Insubordinate Conduct

In the educational setting there are high expectations for employee behavior. This is necessary to ensure effective and efficient operation of the school and to model and reinforce appropriate professional interactions for our students. Accordingly, employees shall treat all administrators, students, and colleagues in an appropriate professional manner.

Employees shall comply with all work-related orders, instructions, and directives issued by a proper authority. Insubordination; manifest disrespect; acts or language which hamper(s) the school's ability to control, manage, or function; displays of unacceptable modeling of rules for students or staff; or any other serious breaches involving improper attitudes or improper action toward persons in positions of authority are just cause for and may result in employee discipline, up to and including possible termination.

Examples of improper conduct include, but are not limited to:

1. Disobeying an appropriate order, instruction or directive of a supervising employee or administrator;
2. Refusing to accept a reasonable and proper work assignment or directive of a supervising employee or administrator;
3. Disputing or ridiculing authority;
4. Exceeding authority; and/or
5. Using vulgar or profane language to a supervising employee or administrator.

Adult Sexual Misconduct

This policy shall apply to all staff, contractors, and volunteers who have contact with students.

For the purposes of this policy, sexual misconduct is defined as any sexual activity directed at a student, regardless of age, with the purpose of developing a romantic or sexual relationship. It includes activities that are:

1. Physical and non-physical;
2. Conducted in person or through other modes of communication;
3. Conducted before, during, or after school;
4. On District property or elsewhere; and
5. Legal and illegal.

Illegal sexual misconduct is characterized by sexual contact between an adult and a child under the age of 18 and includes explicit sexual conduct, solicitation of a minor child to participate in a sexual act, sexual exploitation and dissemination of sexual material harmful to minors. Sexual misconduct also includes such inappropriate verbal conduct as sexual comments or questions, jokes, taunting, and teasing and such inappropriate physical conduct as kissing, hair stroking, tickling, and frontal hugging.

Sexual misconduct is prohibited. Staff and volunteers who engage in sexual misconduct shall be subject to disciplinary activity, including termination. They may also be reported to law enforcement and/or the Department of Health and Welfare, as described in Policy 5260.

To avoid the appearance of impropriety, staff should avoid singling students out for personal attention such as frequent hugging or other physical contact; the giving of gifts; frequent compliments directed toward a particular student; overly personal cards, notes, or electronic communications; or teasing that references gender or contains sexual innuendo. Staff should take reasonable measures to avoid being alone with any student unless there is a legitimate, work-related need to be alone with the student. In cases such as before or after school tutoring, teachers may ask another teacher to be present in the classroom, or such tutoring may be conducted in a less private area with other adults present, such as in the school library.

The District recognizes that some student interactions occur outside the classroom. School employees and volunteers should avoid the appearance of impropriety by refraining from the following behavior:

1. Conducting ongoing, private conversations with individual students that are unrelated to school activities or the well-being of the student and take place in locations inaccessible to others;
2. Inviting a student or students for home visits without informing parents;
3. Visiting the homes of students without the knowledge of parents;
4. Inviting students for social contact off school grounds without the permission or knowledge of the parents; and
5. Transporting students in personal vehicles without the knowledge of parents or supervisors.

### Reporting Sexual Misconduct

Any staff member, contractor, or volunteer who has reasonable cause to believe a staff member, contractor, or volunteer has engaged in misconduct or that any other adult has engaged in sexual misconduct on District property or at a District event shall report the misconduct to his or her supervisor, who shall notify the Superintendent or the Superintendent's designee. The matter shall be investigated in accordance with Policy 41253085 and Procedure 3085P3290. Investigation of any report of sexual misconduct shall include an investigation of whether the incident constitutes a violation of Title IX. Sexual misconduct not which does not fall within the definition of sexual harassment provided in Procedure 3085P may still result in disciplinary action up to and including dismissal.

The individual with reasonable cause to believe sexual misconduct has occurred shall also report the incident in accordance with Policy 5260, if applicable.

### False Reports

Making a knowingly false report of sexual misconduct is prohibited and may result in the termination of a staff member or volunteer who makes such a report or in the suspension or expulsion of a student who makes such a false report.

### Distribution of Policy and Training

This policy shall be posted on the District website and provided to all new employees upon hiring, to all volunteers upon acceptance as volunteers. The employee or volunteer shall sign an acknowledgment, to be retained by the District, indicating that they have received and reviewed a copy of this policy.

The District shall provide training on preventing and reporting sexual misconduct to all staff who have contact with students.

An employee of the District may seek an elective office, or advocate for or against a political candidate or ballot measure, provided that the staff member does not campaign on school property during working hours, and provided all other legal requirements are met.

The District assumes no obligation beyond making such opportunities available.

The District shall not restrict constitutionally protected political speech of employees during non- instructional times in non-student contact settings, such as during duty-free periods in faculty break rooms and lounges during the school day or during afterschool events. Drug-and Alcohol-Free Workplace

All District workplaces are drug- and alcohol-free workplaces. All employees are prohibited from:

1. Unlawful manufacture, dispensing, distribution, possession, use, or being under the influence of a controlled substance while on District premises or while performing work for the District;
2. Distribution, consumption, use, possession, or being under the influence of alcohol while on District premises or while performing work for the District.
3. Taking prescription drugs above the level recommended by the prescribing physician and using prescribed drugs for purposes other than those for which they are intended. In addition, employees will not distribute a prescribed drug to another employee or student.

As a condition of employment, each employee shall:

1. abide by the terms of the District policy respecting a drug- and alcohol-free workplace; and
2. notify his or her supervisor of his or her conviction under any criminal drug statute for a violation occurring on the District premises or while performing work for the District, no later than five (5) days after such a conviction.

Definitions as Used in This Policy

"Illegal use of drugs" means the use of drugs, the possession or distribution of which is unlawful. Such term does not include the use of a drug taken under the supervision of a licensed health care professional.

"Drug" or "illegal drug" means a controlled substance as defined in Schedules I through V of Section 202 of the Controlled Substances Act found in Chapter 27, Title 37 Idaho Code.

"Conviction" means a finding of guilt, including a plea of no-contest, or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of the federal or state criminal drug statutes.

"Criminal Drug Law" means a federal or non-federal criminal statute involving the manufacture, distribution, dispensing, possession, or use of any controlled substance.

"Controlled Substance" means any drug or substance that is:

1. not legally obtainable;
2. being used in a manner different than prescribed;
3. legally obtainable, but has not been legally obtained; or
4. referenced in federal or state-controlled substance acts.

“Substance Abuse” is the misuse or illicit use of alcohol, drugs, or controlled substances, including but not limited to marijuana, heroin, or cocaine.

### Confidentiality

Records that pertain to the District’s employee required substance screens are recognized to be private and sensitive records. They shall be maintained by the Superintendent or his or her designee in a secure fashion to ensure confidentiality and privacy and be disclosed only to the extent necessary to address any work-related safety risks occasioned by either the drug or alcohol use. Medical records, and information relating directly thereto, shall be maintained in accordance with provisions of Idaho law and used with the highest regard for employee privacy consistent with law and the purpose of achieving and maintaining a drug free workplace. All personnel records and information regarding referral, evaluation, substance screen results, and treatment shall be maintained in a confidential manner and no entries concerning such shall be placed in an employee's personnel file.

### Pre-Employment Testing

Applicants being considered for employment positions may be required to submit to a urinalysis test for the detection of the illegal use of drugs. Applicants shall be given a copy of this policy in advance of employment. Applicants must acknowledge having read or had this policy explained to them and should understand that as a condition of employment they are subject to its contents. Applicants shall sign an acknowledgment prior to substance screening, permitting the summary result to be transmitted to the Superintendent or his or her designee.

An applicant refusing to complete any part of the drug testing procedure shall not be considered a valid candidate for employment with the District, and such will be considered as a withdrawal of the individual's application for employment. If substance screening shows a confirmed positive result for which there is no current physician's prescription, a second confirming test may be requested by the Superintendent or his or her designee. If the first or any requested second confirming test is positive, any job offer shall be revoked.

### Physical Examination/Screening Based Upon Reasonable Suspicion

Whenever the Board, through its authorized designee, and/or the Superintendent, reasonably suspect that an employee's work performance or on-the-job behavior may have been affected in any way by illegal drugs or alcohol or that an employee has otherwise violated the District’s Drug-Free Workplace Substance Abuse Policy, the employee may be required to submit a breath, saliva, urine, and/or blood sample for drug and alcohol testing. When a supervisor observes or is notified of behaviors or events that lead the supervisor to believe that the employee is in violation of the Drug-Free Workplace Substance Abuse Policy, the supervisor shall notify the Superintendent.

An employee who is required to submit to drug/alcohol testing based upon reasonable suspicion and refuses shall be charged with insubordination, and necessary procedures will be taken to terminate the employee in accordance with Board policy and State law.

An employee who tests positive on a reasonable suspicion test will be in violation of this policy. Violation of this policy shall constitute grounds for termination in accordance with Board policy and State law.

The District's authorized designee, or the Superintendent are the only individuals in the District authorized to make the determination that reasonable suspicion or cause exists to order a drug screen and are the only individuals who may order an employee to submit to a drug screen.

Two types of cases for which reasonable suspicion procedures may be invoked are:

1. Chronic cases: Deteriorating job performance or changes in personal traits or characteristics where the use of alcohol or drugs may be reasonably suspected as the cause; and
2. Acute case: Appearing to be under the present influence of alcohol and/or drugs or investigation of an accident where the use of alcohol or drugs is reasonably suspected to be a contributing cause in a specific incident or observation.

Circumstances under which substance screening may be considered, in either the chronic or acute cases, include but are not limited to the following:

1. Observed use, possession, or sale of illegal drugs and/or use, possession, sale, or abuse of alcohol, and/or the illegal use or sale of prescription drugs;
2. Apparent physical state of impairment of motor functions;
3. Marked changes in personal behavior not attributable to other factors;
4. Employee involvement in or contribution to an accident where the use of alcohol or drugs is reasonably suspected or employee involvement in a pattern of repetitive accidents, whether or not they involve actual or potential injury; and
5. Violations of criminal drug law statutes involving the use of illegal drugs, alcohol, or prescription drugs and/or violations of drug statutes.

The circumstances under which substance screening may be considered, as outlined above, are strictly limited in time and place to employee conduct on duty or during work hours, or on or in District property, or at District-approved or school-related functions.

### Post-Accident Testing

Drivers while on school business or operating a school vehicle involved in a motor vehicle accident which involves either a fatality or the issuance of a citation for a moving violation to the District employee may be tested for alcohol misuse and controlled substance abuse.

The driver will contact the District at the time of the accident unless he or she is physically impaired as a result of the accident. The District will contact the testing lab. The testing lab will specify where the alcohol and/or controlled substance testing is to be completed.

If a driver is not able to produce enough breath to test for alcohol using a state approved breath analyzer, a blood test may be done for alcohol.

Law enforcement officials may require a driver involved in an accident to submit to tests administered as part of their jurisdiction. For purposes of this policy, only the test results provided by the District testing laboratory will be accepted.

Failure of an employee to submit to testing for either alcohol or a controlled substance will be considered a positive test and will be determined as cause for disciplinary action.

Testing for alcohol must be done within eight hours of the time of the accident. Testing for controlled substances must be done within 32 hours of the time of the accident.

The driver subject to post-accident testing must refrain from consuming alcohol for either eight hours following the accident or until he or she submits to an alcohol test, whichever comes first. Failure to do so will constitute a positive test result and will be determined as cause for disciplinary action.

#### Opportunity to Contest or Explain Test Results

Employees or job applicants who have a positive confirmed test result may explain or contest the result to the Superintendent or his or her designee within 5 working days after the Superintendent or designee contacts the employee or job applicant and shows him or her the positive test result as it was received from the laboratory in writing.

#### Return to Duty Testing

An employee who has been given the opportunity to undergo rehabilitation for drugs or alcohol shall, as a condition of returning to duty, be required to agree to a reasonable follow-up testing established by the Superintendent or his or her designee. The extent and duration of the follow-up testing will depend upon the safety or security nature of the employee's position and the nature and extent of the employee's substance abuse problem. The Superintendent or his or her designee is to review the conditions of continued employment with the employee prior to the employee returning to work. Any such condition for continued employment shall be given to the employee in writing. This agreement must be signed by the employee before the employee is allowed to return to the job. Prior to the employee coming back on the job, the employee must complete a drug and/or alcohol test which shows negative results.

The Superintendent or his or her designee may consult with the employee's rehabilitation program in determining an appropriate follow-up testing program, including the frequency of any substance screening contained in a follow-up testing program. In no instance shall

such screening be ordered by the Superintendent or his or her designee more than one time within a 72 hour period. In the event of positive test results, the Superintendent or his or her designee will work out disciplinary procedures, if any, in accordance with Board policy and State law.

Any employee subject to return to duty testing that has a confirmed positive drug test shall be in violation of this policy. Violation of this policy shall constitute grounds for immediate termination in accordance with Board policy and State law.

### Inspections

Employees may be assigned District-owned offices, vehicles, lockers, desks, cabinets, etc. for the mutual convenience of the District and personnel. Employees have no expectation of privacy in any of these locations or any personal belongings which they may place in such areas.

Whenever the Board reasonably suspects that an employee's work performance or on-the-job behavior may have been affected in any way by alcohol or drugs or that an employee has sold, purchased, used, or possessed alcohol, drugs, or drug paraphernalia on District premises, the Board may search the employee and the employee's locker, desk, or other District property under the control of the employee.

Inspections under this policy are limited to investigations into work-related misconduct and offenses. Any searches for law enforcement purposes must comply with all applicable State laws.

### District Action Upon Violation of Policy

Employees in violation of the provisions of this policy shall be subject to disciplinary action up to and including termination. Alternatively, the Board may require an employee to successfully complete an appropriate drug- or alcohol-abuse employee-assistance rehabilitation program. The fact that an employee has been referred for assistance and his or her willingness or ability to rehabilitate are appropriate considerations as to what, if any, disciplinary action may be taken.

Should the District employees be engaged in the performance of work under a federal contract or grant, or under a state contract or grant of \$5,000 or more, the Superintendent or his or her designee shall notify the appropriate State or federal agency from which the District receives contract or grant moneys of the employee's conviction, within ten days after receiving notice of the conviction.

In determining whether and to what extent an employee will be disciplined or discharged in regard to violating this policy, the Board will consider the following factors: the degree to which the nature of the criminal offense reduces the District's ability to maintain a safe working environment; the degree to which the nature of the criminal offense unreasonably endangers the safety of other employees and/or students; the degree to which the

conviction unreasonably undermines the public confidence in the District's operations; the nature of the criminal offense; the nature of the employee's job with the District; the existence of any explanatory or mitigating facts or circumstances; whether the employee promptly reports the conviction; and any other facts relevant to the employee, including but not limited to years of service and record of performance with the District.

An employee can be discharged for work-related misconduct as provided in I.C. 72-1366, for the following reasons:

1. A confirmed positive drug and/or alcohol test, with a test result of not less than .02 BAC;
2. The employee refusing to provide a sample for testing purposes;
3. The employee altering or attempting to alter a test sample by adding a foreign substance; or
4. The employee submitted a sample that is not his or her own.

Within 30 days after receiving notice of a conviction, the District will take appropriate disciplinary action and/or refer the employee to an appropriate substance abuse

Evaluation of Certificated Personnel

The District has a firm commitment to performance evaluation of District personnel, whatever their category and level, through the medium of a formalized system. The primary purpose of such evaluation is to assist personnel in professional development and in achieving District goals. This policy applies to all certificated personnel, both pupil instructional personnel and non-instructional personnel.

Each certificated staff member shall receive at least one written evaluation to be completed by no later than June 1st for each annual contract year of employment and shall use multiple measures that are research based and aligned to the Charlotte Danielson Framework for Teaching Second Edition. The evaluation of certificated personnel shall annually include a minimum of two documented observations, one of which shall be completed prior to January 1st. In situations where certificated personnel are unavailable for two documented classroom observations, due to situations such as long-term illness, late year hire, etc., one documented classroom observation is acceptable.

Evaluations shall be differentiated for certificated non-instructional employees and pupil personnel certificate holders in a way that aligns with the Charlotte Danielson Framework for Teaching Second Edition to the extent possible and aligned to the pupil service staff's applicable national standards.

Objectives

The formal performance evaluation system is designed to:

1. Maintain or improve each employee's job satisfaction and morale by letting him/her know that the supervisor is interested in his/her job progress and personal development.
2. Serve as a systematic guide for supervisors in planning each employee's further training.
3. Assure considered opinion of an employee's performance and focus maximum attention on achievement of assigned duties.
4. Assist in determining and recording special talents, skills, and capabilities that might otherwise not be noticed or recognized.
5. Assist in planning personnel moves and placements that will best utilize each employee's capabilities.
6. Provide an opportunity for each employee to discuss job problems and interests with his/her supervisor

7. Assemble substantiating data for use as a guide, although not necessarily the sole governing factor, for such purposes as wage adjustments, promotions, disciplinary action, and termination.

### Responsibility

The Superintendent has the overall responsibility for the administration of the Performance Evaluation Program and will ensure the fairness and efficiency of its execution, including:

1. The distribution of proper forms in a timely manner.
2. Ensuring completed forms are returned for file by a specified date.
3. Reviewing forms for completeness.
4. Identify discrepancies.
5. Ensuring proper safeguard and filing of completed forms.

The Immediate Supervisor (Evaluator) is the employee's "evaluator" and has the responsibility for:

1. Continuously observing and evaluating an employee's job performance.
2. Holding periodic counseling sessions with each employee to discuss job performance.
3. Completing Performance Evaluation Forms as required.
4. Completing training on the District's Performance Evaluation Program.

The individuals assigned this responsibility shall have received training in conducting evaluations based on the statewide framework for evaluations within the immediate previous five (5) years of conducting any evaluations.

### Procedures

#### Evaluation Form:

An Evaluation Form will be completed for each certificated employee, except where excluded under this policy. A copy will be given to the employee. The original will be retained by the immediate supervisor. This form should be reviewed annually and revised as necessary to indicate any significant changes in duties and/or responsibilities. The form is designed to increase planning and relate performance to assigned responsibilities through joint understanding between the immediate supervisor (evaluator) and the employee as to the job description and major performance objectives.

Periodic classroom observations will be included in the evaluation process.

The written evaluation will identify the sources of data used in conducting the evaluation. Aggregate data shall be considered as part of the District and individual school needs assessment in determining professional development offerings.

## Evaluation Measures

**Observations:** Periodic classroom observations will be included in the evaluation process with a minimum of two documented observations annually for certificated personnel, one of

which shall be completed prior to January 1st. In situations where certificated personnel are unavailable for two documented classroom observations, due to situations such as long-term illness, late year hire, etc., one documented classroom observation is acceptable.

**Professional Practice:** A majority of the evaluation of certificated personnel will be comprised of Professional Practice based on the Charlotte Danielson Framework for Teaching Second Edition. The evaluation will include at least one of the following as a measure to inform the Professional Practice portion: input received from parents/guardians, input received from students, and/or portfolios.

**Student Achievement:** Instructional staff evaluation ratings must, in part, be based on measurable student achievement as defined in Section 33-1001, Idaho Code, applicable to the subjects and grade ranges taught by the instructional staff. All other certificated staff evaluations must include measurable student achievement or student success indicators as applicable to the position. This portion of the evaluation may be calculated using current and/or the immediate past year's data and may use one or both years of data.

**Charlotte Danielson Framework:** The evaluation will be aligned with minimum State standards and based upon the Charlotte Danielson Framework for Teaching Second Edition and will include, at a minimum, the following general criteria upon which the Professional Practice portion will be based. Individual domain and component ratings must be determined based on a combination of professional practice and student achievement as specified above.

2. Basic being equal to “2”;
3. Proficient being equal to “3”; and
4. Distinguished, being equal to “4”.

#### Meeting with the Employee

**Counseling Sessions:** Counseling sessions between immediate supervisors and employees will be scheduled periodically. During these sessions, an open dialogue should occur which allows the exchange of performance-oriented information. The employee should be informed of how well or how badly he/she has performed to date. In the case of derogatory comments, the employee should be informed of the steps necessary to improve performance to the desired level.

Counseling sessions should include, but not be limited to, the following: job responsibilities, performance of duties and attendance. A memorandum for record will be prepared following each counseling session and maintained by the supervisor.

**Communication of Results:** Each evaluation shall include a meeting with the affected employee. At the scheduled meeting with the employee, the Immediate Supervisor will:

Discuss the evaluation with the employee, emphasizing strong and weak points in job performance. Commend the employee for a job well done if applicable and discuss specific corrective action if warranted. Set mutual goals for the employee to reach before the next performance evaluation. Recommendations should specifically state methods to correct weaknesses and/or prepare the employee for future promotions.

Allow the employee to make any written comments he/she desires. Inform the employee that he/she may turn in a written response within 7 days. Have the employee sign the evaluation form indicating that he/she has been given a copy and initial after supervisor's comments.

### Rebuttals/Appeal

Within seven days from the date of the evaluation meeting with their supervisor, the employee may file a written rebuttal/appeal of any portion of the evaluation. The written

rebuttal/appeal shall state the specific content of the evaluation with which the employee disagrees, a statement of the reason(s) for disagreement, and the amendment to the evaluation requested.

If a written rebuttal/appeal is received by the supervisor within seven days, the supervisor may conduct additional meetings or investigative activities necessary to address the rebuttal/appeal. Subsequent to these activities, and within a period of ten working days, the supervisor may provide the employee with a written response either amending the evaluation as requested by the employee or stating the reason(s) why the supervisor will not be amending the evaluation as requested.

If the supervisor chooses to amend the evaluation as requested by the employee then the amended copy of the evaluation will be provided to, and signed by, the employee.

If the supervisor chooses not to amend the evaluation as requested by the employee then the evaluation along with the written rebuttal/appeal, and the supervisor's response, if any, will be forwarded to the Board of Trustees.

Each evaluation will include identification of the actions, if any, available to the District as a result of the evaluation as well as the procedure(s) for implementing each action. Available actions include, but are not limited to, recommendations for renewal of employment, non-renewal of employment, probation, and others as determined. Should any action be taken as a result of an evaluation to not renew an individual's contract the District will comply with the requirements and procedures established by State law.

### Records

Permanent records of each certificated personnel's evaluation and any properly submitted rebuttal/appeal documentation will be maintained in the employee's personnel file. All evaluation records, including rebuttal/appeal documentation, will be kept confidential within the parameters identified in State and federal law regarding the right to privacy.

Any subsequent changes to the District's evaluation plan shall be resubmitted to the State Department of Education for approval. The District shall report the summative rankings, the number of components rated as unsatisfactory, whether a majority of the certificated personnel's students met their measurable student achievement or growth targets or student success indicators as well as what measures were used, and whether an individualized professional learning plan is in place for all certificated personnel evaluations, annually to the State Department of Education.

Certified Personnel Resignation (Release from Contract)

Applicants for teaching positions with Swan Valley School District who are issued a contract and employees who are on contract should recognize that their contract with the District carries responsibilities. Certified personnel will generally be expected to fulfill the terms of their contract unless:

1. There are clearly compelling, mitigating circumstances which prevent the certified or exempt individual from doing so; and
2. Until such time as the Board releases the certified individual from the terms of the contract upon the recommendation of the Superintendent.

Employees (including those employees who have just signed their first contract) will not be released from contract during the school year or within forty-five (45) days of the start of the school year unless a suitable replacement can be found. The Board may make exceptions to this rule for serious health problems or if a replacement can be found to fill the position being vacated.

The Employee may make a written request for release from contract during the school year or immediately prior to the start of the school year, stating the date of requested release. The request should be submitted to the District offices so that a search for a suitable replacement can be initiated. The request for release will be submitted to the Board at the time specified by the employee. If finding a replacement is not imminent, the District offices will advise the person submitting the request that the administration will recommend to the Board that the request be denied. The District offices will also give the person making the request the opportunity to hold the request until finding a suitable replacement is imminent at which time the resignation would then be submitted to the Board. If no time is specified for the request to be submitted to the Board, it will be submitted when the administration feels that finding a suitable replacement is imminent. The person making the request will be advised of that action.

A determination of availability of a suitable replacement, approved by the building principal as per Idaho Code, will be made by the administration before recommendation will be made to the Board that the employee be released from contract. If, in the judgment of the administration, there is not a suitable replacement, and/or if retention of a new employee is not approved by the building principal, recommendation will be made that the Board NOT release the employee from contract.

Should any certificated employee abandon the contract of employment with the District without the prior written release from the contract by the Board, the Board of trustees will report such event to the Professional Standards Commission, alleging that the certificated

employee is guilty of unethical practices and has violated the Code of Ethics for Idaho Professional Educators.

In addition, should any certificated employee abandon the contract of employment with the District without the prior written release from the contract by the Board, the District and/or Board may, in its discretion, pursue any and all available legal remedies, including damages to recoup all losses caused by such breach of contract, including without limitation costs for substitutes, recruiting, loss of state funding, legal fees, etc.

### Classified Personnel

Classified Employees not under contract are expected to give due written notice that will permit the District to conduct a search for a suitable replacement. Generally speaking, the Board expects a two-week notice.

All resignations should be in writing. Requests for resignation shall be transmitted to the Board as part of the regular personnel report.

Any classified personnel who, without approval or without taking leave, does not show up for work for more than 5 consecutive days will be considered to have abandoned his or her position, and shall be deemed to have resigned.

#### Leaves of Absence

The Board believes that the provision of leaves in addition to the contractual leaves provided by the Master Agreement helps to attract and retain staff members who will continue to grow professionally, maintain their physical health, and have a feeling of security.

The Board has the authority to grant any employee's request for a leave of absence. A leave of absence may be at the request of the employee or may be done involuntarily by action of the Board. The Board may also delegate this authority to a designee.

Through this policy, the Board has delegated this ongoing authority to the Superintendent, both with regard to acceptance of an employee's request for leave of absence as well as an action of placing a certificated employee on an involuntarily leave of absence.

Upon the Superintendent's action to place a certificated employee on a period of involuntary leave of absence, the Board shall ratify or nullify action of the Superintendent at the next regularly scheduled meeting of the Board or at a special meeting of the Board should the next regularly scheduled meeting of the Board not be within a period of 21 days from the date of the action. Whether such leave is with pay or without pay shall be determined when applying the appropriate principles of Section 33-513(7), Idaho Code.

A Superintendent's acceptance of a certificated employee's request for leave of absence shall be put before the Board for ratification at the next regularly scheduled meeting of the Board or within twenty-one (21) days, whichever comes first.

#### Sick Leave

Classified employees who regularly work 20 hours or more per week and certificated employees who work half time or more per week shall be granted sick leave and other leaves in accordance with State law. Each such employee shall be granted sick leave with full pay of one day as projected for the employment year for each month of service in which he or she works a majority portion of that month. Sick leave for classified employees shall be calculated proportionate to the average hours worked per day. Sick leave for certificated employees shall be calculated by the day, or percentage thereof, as defined in his or her individual employment contract.

Sick leave will be taken in one-half day increments.

The District, may in its discretion, require proof of illness when deemed appropriate, including but not limited to abuse of sick leave or false claims of illness.

Compensation shall not be provided for unused sick leave.

“Sick leave” means a leave of absence, with pay, for a sickness suffered by an employee or his or her immediate family. “Immediate family” for purpose of sick leave shall mean the employee’s spouse and children residing in the employee’s household. Nothing in this policy guarantees approval of the granting of such leave in any instance. Each request will be judged by the District in accordance with this policy and the needs of the District.

It is understood that seniority shall accumulate while a teacher or employee is utilizing accumulated sick leave credits. Seniority will not accumulate unless an employee is in a paid status. Abuse of sick leave is cause for discipline up to and including termination.

#### Accumulation of unused sick leave

Employees may accumulate unlimited days of unused sick leave. Upon retirement, an employee’s accumulated unused sick leave must be reported by the District to the public employee retirement system.

#### Bereavement Leave

An employee who has a death in the “immediate family” shall be eligible for bereavement leave. “Immediate family” for the purpose of bereavement leave shall mean father, mother, husband, wife, children, sister, brother, father-in-law, mother-in-law, sister-in-law, brother-in-law, son-in-law, daughter-in-law, grandparents, and grandchildren. The Superintendent shall have the authority to give bereavement leave for up to five (5) days. Bereavement leave of greater than five (5) days must be approved by the Board. Such leave shall not exceed ten (10) days, unless prescribed by a physician.

#### Personal Leave

Full Time Staff will be granted personal leave on the following basis:

For the first through third consecutive year of employment with the District, Employees shall earn personal leave at the rate of three (3) days per school year.

For the fourth through fifth consecutive year of employment with the District, Employees shall earn personal leave at the rate of four (4) days per school year.

For the sixth or subsequent consecutive year of employment, Employees shall earn personal leave at the rate of five (5) days of personal leave per school year.

Full time staff will be able to accumulate unused days year to year, up to seven (7) days. Days not taken will be paid at an amount equal to the daily pay for regular certified substitute pay in June.

Personal leave will be taken in one-half day increments

### Dependent Care

Under certain conditions, employees can qualify for dependent care leave. To qualify, the employee must first utilize five (5) days of personal leave, sick leave or vacation days. Once five (5) consecutive days are used, an employee can then use up to five (5) dependent care leave days to be used consecutively. A maximum of five (5) days will be allocated to an employee each fiscal year.

Newborn infants, adoption, or long-term hospitalization are some of the conditions that meet this requirement. All other circumstances require preapproval from the Superintendent. The district reserves the right to request necessary documentation to ensure compliance.

### Professional Leave

Professional leave days may be granted by the Superintendent. Professional leave is generally limited to two (2) days per year but may be extended with the Superintendent's approval.

### Emergency Leave

Upon recommendation of the Superintendent, and in accordance with law and District policy, classified staff may be granted personal leave pursuant to the following conditions:

1. Leave will be without pay unless otherwise stated. If leaves are to include expenses payable by the District, the leave approval will so state;
2. Leave will only be granted in units of half or full days.
3. Notice of at least two (2) days is required for any personal leave of less than one (1) week. Notice of one (1) week is required for any personal leave exceeding one (1) week.
4. The Superintendent, with approval of the Board, shall have the flexibility, in unusual or exceptional circumstances, to grant personal leave to employees not covered by sick or any other District recognized leave. During any personal leave of greater than fifteen (15) days, the employee will not receive fringe benefits. During the leave, the employee may pay the District's share of any insurance benefit program in order to maintain those benefits, provided that such is acceptable to the insurance carrier. Staff using personal leave shall not earn any sick leave or annual leave credit or any other benefits during the approved leave of absence.

### Overages of Leave

Payroll deductions for sick leave and personal leave that exceeds this policy shall be on the basis of the individual's prorated salary and health benefits for each day absent.

#### Family and Medical Leave

In accordance with the provisions of the Family Medical Leave Act of 1993, a leave of absence of up to twelve (12) weeks during a twelve- (12)-month period may be granted to an eligible employee for the following reasons:

1. The birth of a child;
2. The placement of a child for adoption or foster care with the employee;
3. A serious health condition that makes the employee unable to perform the functions of the job;
4. to care for the employee's spouse, child, or parent with a serious health condition; or
5. for any qualifying exigency arising out of the fact that a spouse, son, daughter, or parent of the employee is on active duty status, or has been notified of an impending call to active duty status, in the Armed Forces.

An employee is eligible to take FMLA leave if the employee has been employed for at least twelve (12) months, and has worked at least one thousand two hundred fifty (1,250) hours during the twelve (12) months immediately prior to the date when the leave is requested. Further, an employee may only be eligible if there have been at least fifty (50) District employees within a seventy-five (75) mile radius.

An eligible employee who is the spouse, son, daughter, parent, or next of kin of a covered service member who is recovering from a serious illness or injury sustained in the line of duty on active duty is entitled to up to twenty six (26) weeks of leave in a single twelve (12) month period to care for the service members.

Employees will be required to use appropriate paid leave while on FMLA Leave. Workers Compensation absences will be designated FMLA Leave.

The Board has determined that the twelve-(12)-month period during which an employee may take FMLA leave is: 1) July 1 to June 30.

Medical certification shall be required to determine FMLA initial or continued eligibility as well as fitness for duty.

#### Family and Medical Leave Procedure

**Who Is Eligible:** Employees are eligible if they have worked for the District for at least one (1) year, and for one thousand two hundred fifty (1,250) hours over the previous twelve (12) months, and if there are at least fifty (50) District employees within a seventy-five (75) mile radius.

**Benefit:** Under certain conditions, eligible employees, if qualified, may be entitled to up to twelve (12) weeks leave with continuing participation in the District's group insurance plan.

An eligible employee who is the spouse, son, daughter, parent, or next of kin of a covered service member who is recovering from a serious illness or injury sustained in the line of duty on active duty is entitled to up to twenty-six (26) weeks of leave in a single twelve (12) month period to care for the service members.

**Reasons for Taking Leave:** Unpaid leave will be granted to eligible employees for any of the following reasons:

1. To care for the employee's child after birth, or placement of a child for adoption or foster care with the employee; or
2. To care for the employee's spouse, child, or parent (does not include parents in-law) who has a serious health condition; or
3. For a serious health condition that makes the employee unable to perform the employee's job; or
4. For any qualifying exigency arising out of the fact that a spouse, son, daughter, or parent of the employee is on active duty status, or has been notified of an impending call to active duty status, in support of a contingency operation.

**Substitution of Paid Leave:** Paid leave will be substituted for unpaid leave under the following circumstances:

1. Accumulated sick/personal leave will be utilized concurrently with any FMLA leave that is taken for a serious health reason as described in (2) or (3) above.
2. Accumulated vacation/personal leave will be utilized concurrently with any FMLA leave that is taken for a family reason as described in (a) above.
3. Accumulated sick leave will be utilized concurrently with FMLA leave whenever the FMLA leave is taken for reasons which qualify for sick leave benefits pursuant to District policy.
4. Whenever appropriate workers' compensation absences shall be designated FMLA leave.

**When spouses Are District Employees:** if spouses are employed by the District, they each are entitled to a total of twelve (12) weeks of leave per year. However, where the reason for the leave is for birth of a child, or because of adoption or foster care, or to care for a sick parent, such leave may be limited to an aggregate of 12 weeks, between the spouse/employees.

**Advance Notice:** Employees must provide thirty (30) days advance notice when the leave is foreseeable. In other situations, an employee must give notice as soon as practicable. Leave may be allowed in emergency situations when no advance warning is possible. Inexcusable delays in notifying the District may result in the delay or denial of leave.

**Requests:** A sick leave request form is to be completed whenever an employee is absent from work for more than three (3) days or when an employee has need to be absent from work for continuing treatment by (or under the supervision of) a health care provider.

**Medical Certification:** The District will require medical certification to support a request for leave or any other absence because of a serious health condition (at employee expense), and may require second or third opinions (at the employer's expense) and a fitness for duty report to return to work statement.

**Intermittent/Reduced Leave:** FMLA leave may be taken "intermittently or on a reduced leave schedule" under certain circumstances. Where leave is taken because of birth or placement of a child for adoption or foster care, an employee may take leave intermittently or on a reduced leave schedule only with the approval of the District.

Where FMLA leave is taken to care for a sick family member or for an employee's own serious health condition, leave may be taken intermittently or on a reduced leave schedule when medically necessary. An employee may be reassigned to accommodate intermittent or reduced leave. When an employee takes intermittent leave or leave on a reduced leave schedule, increments will be limited to the shortest period of time that the District's payroll system uses to account for absences or use of leave.

**Insurance:** An employee out on FMLA leave is entitled to continued participation in the appropriate group health plan, but it is incumbent upon the employee to continue paying the portion of the premiums the employee usually pays throughout the leave period. An employee's eligibility to maintain health insurance coverage will lapse if the premium payment is more than thirty (30) days late. The District will mail notice of delinquency at least fifteen (15) days before coverage will cease.

**Return:** Upon return from FMLA leave, reasonable effort shall be made to place the employee in the original or equivalent position with equivalent pay, benefits, and other employment terms.

**Record Keeping:** Employees, supervisors and building administrators will forward requests, forms and other material to payroll to facilitate proper record keeping.

**Summer Vacation:** The period during the summer vacation or other scheduled breaks (i.e., Christmas) an employee would not have been required to work will not count against that employee's FMLA leave entitlement.

#### Special Rules for Instructional Employees

**Leave More Than Five (5) Weeks Before End of Term:** If an instructional employee begins FMLA leave more than five (5) weeks before the end of term, the District may require the employee to continue taking leave until the end of a semester term if:

1. The leave is at least three (3) weeks; and
2. The employee's return would take place during the last three-(3)-week period of the semester term.

**Leave Less Than Five (5) Weeks Before End of Term:** If an instructional employee begins FMLA leave for a purpose other than that employee's own serious health condition less than five (5) weeks before the end of term, the District may require the employee to continue taking leave until the end of a semester term if:

1. The leave is longer than two (2) weeks; and
2. The employee's return would take place during the last two-(2)-week period of the semester term.

**Leave Less Than Three (3) Weeks Before End of Term:** If an instructional employee begins FMLA leave for a purpose other than that employee's own serious health condition less than three (3) weeks before the end of term, the District may require the employee to continue taking leave until the end of the academic term if the leave is longer than five (5) days.

**Intermittent or Reduced Leave:** Under certain conditions, an instructional employee needing intermittent or reduced leave for more than twenty percent (20%) of the total working days over the leave period may be required by the District to:

1. Take leave for a period(s) of particular duration not to exceed the duration of treatment; or
2. Transfer to an alternate but equivalent position.

The following procedures will be used when an employee has a long-term illness or temporary disability, including maternity.

1. When any illness or temporarily disabling condition is “prolonged”, an employee will be asked by the administration to produce a written statement from a physician stating that the employee is temporarily disabled and is unable to perform the duties of his/her position until such a time.
2. In the case of any other extended illness, procedures for assessing the probable duration of the temporary disability will vary. #### Leaves of Absence - Military Leave

##### General Policy

All District employees, other than those who are employed on a temporary basis, are entitled to military leave of absence when ordered to active duty for training as members of the Idaho National Guard or any component of the U.S. Armed Forces. Employees who volunteer, are drafted, or are ordered to extended active duty with any component of the U.S. Armed Forces shall be entitled to reinstatement to their former positions or comparable positions if the right is exercised in a timely manner as noted below.

The District shall notify each employee entitled to rights and benefits under the Uniformed Services Employment and Reemployment Rights Act (USERRA) of their rights, benefits, and obligations under USERRA and those of the District.

##### Notice to District

All employees should provide either written or oral notice of upcoming military training to the District as soon as reasonably practical. The employee or an appropriate officer of the branch of military in which the employee will serve may provide the notice. Employees who are ordered for such duty shall provide one copy of their orders to the Superintendent. Notice shall include date of departure and date of return for purposes of military training 90 days prior to the date of departure.

##### Military Leave for Training or Short Term Duty

Employees who are required to attend active duty, inactive-duty training, funeral honors duty, or field or coast defense training as a Reserve of the armed forces or member of the National Guard shall not suffer any loss of salary, seniority, or efficiency rating during the first 15 work days of such absence in any fiscal year. Leave will be without loss of benefits.

In the case of a part-time employee, military leave for training or short-term duty shall accrue at a rate of 15 days per year multiplied by a percentage determined by dividing by 40 the number of hours in the regularly scheduled workweek of that employee during that fiscal year. Unused leave shall accumulate until it totals 15 days.

##### Completion of Military Training

Upon completion of military training, the employee shall give evidence of the satisfactory completion of such training immediately thereafter. The employee shall be restored to his or her previous or similar position with the same status, pay, vacation leave, sick leave,

bonus, advancement, and seniority. Such seniority shall continue to accrue during such period of absence.

#### Benefits for Uniformed Service Personnel On Active Duty

*\*(Note: Federal law does not require an employer to pay the salary of an employee on military leave except as specified in "Military Leave for Training or Short Term Duty" above.)\**

#### Pension and Retirement Plans

Pension and retirement plans are considered a benefit to which reinstated employees are entitled. Any normal contributions will continue to be made for service members who are absent for 90 days or fewer. If the employee has been absent for military service for 91 days or more, the District may elect to delay making retroactive pension contributions until the employee submits satisfactory reemployment documentation.

#### Medical Insurance

Health benefits will be offered to the extent they are available to other employees on leave. An employee performing military service for 30 days or fewer is not required to pay more than the normal employee share of any health premium. If the employee's military service is for 31 days to 24 months, the health plan will offer continuous coverage. An employee on military leave may elect to continue health care coverage through the District for up to 24 months after the military leave begins or for the period of military service, whichever is shorter. The District's obligation to provide health benefits ends once an employee's military leave exceeds 24 months. When the employee is reinstated, a waiting period or exclusion cannot be imposed if health coverage would have been provided to the employee had he or she not been absent for military service.

#### Reporting to District Once Military Leave is Complete

The standard military service length and reporting times are:

**1 to 30 Days of Military Service:** The employee reports to the District by the beginning of the first scheduled work day that falls eight hours after the end of the last calendar day of military service.

**31 to 180 Days of Military Service:** The employee must submit an application for reemployment no later than 14 days after completion of service in the armed forces. If the 14<sup>th</sup> day falls on a day when the District's offices are not open or available to accept a reemployment application, the time extends to the next business day.

**181 Days or More of Military Service:** The employee must submit an application for reemployment no later than 90 days after completion of military service. If the 90<sup>th</sup> day falls on a day when the employee's offices are not open or available to accept a reemployment application, the time extends to the next business day.

**Cases of Disability:** Employees who are hospitalized or recovering from a disability that was incurred or aggravated during the period of military service leave have up to two years to submit an application for reemployment.

There is an exception to these guidelines for those employees who, through no fault of their own, find themselves in a situation that makes it impossible or unreasonable to meet the required timetables. In those cases the employee must return to work as soon as possible.

#### Disqualification From Returning to Work

There are four conditions that disqualify an employee from exercising his or her right to reemployment after military service:

1. A dishonorable or bad conduct discharge;
2. Separation from the service under “other than honorable conditions”;
3. A commissioned officer’s dismissal via court martial or by order of the President;  
and
4. When a service member has been dropped from the rolls for being absent without authority or for civilian imprisonment.

#### Reinstatement to Positions After Extended Duty

Employees who volunteer, are drafted, or are called to active duty for extended periods will be placed on “Military Leave of Absence” upon written application and will be entitled to reinstatement to their former or similar positions upon their return and under the following conditions:

1. They must not have remained on active duty beyond their first opportunity for honorable or general release; and
2. They must report to claim reinstatement within the timelines specified under “Reporting to District Once Military Leave is Complete” above.

After an employee has been absent for 31 days or more of military service, the District may ask the employee or the employee’s military unit for documentation showing that:

1. The employee submitted a timely application for reemployment;
2. The employee’s length of military service has not exceeded the five year limitation;  
and
3. The employee’s separation from the military service meets the requirement for reemployment.

As a general rule, employees returning from military service must be reemployed in the job that they previously held, or would have attained had they not been absent for military service. If the employee was disabled while on military duty, or a disability is aggravated by military service, the District will make reasonable efforts to accommodate the disability.

6. Having received professional development in career and academic counseling, and then providing career or academic counseling for students, with such services incorporated within or provided in addition to the teacher's regular classroom duties; and
7. Various other criteria designated by the Board, excluding duties related to student activities or athletics, that require the employee to work additional time such as:
  - A. Curriculum development;
  - B. Assessment development;
  - C. Data analysis;
  - D. Grant writing;
  - E. Special program coordinator;

- F. Research project; and
- G. Teaching professional development course;

[Note: Should the Board choose to identify various other criteria as eligible, a description of those duties should be included in the plan or identified in this policy.]

The Board may grant multiple leadership premiums to those performing multiple duties, but no employee shall receive leadership premiums that exceed 25% of the employee's minimum salary as designated on the career ladder.

These premiums shall be valid only for the fiscal year for which the awards are made. Duties related to student activities and athletics shall not be eligible for leadership premiums.

##### Physical Examinations

If the work is of a physically demanding nature, subsequent to a conditional offer of employment and prior to a commencement of work, the District may require an applicant to have a medical examination and to meet any other health requirements that may be imposed by the State. The District may condition an offer of employment on the results of such examination, if all entering employees in the applicable job category are subject to such examination. If approved by personnel services, a thirty-(30)-day grace period beginning from the date of employment may be allowed for the employee to obtain the required medical examination.

All bus drivers, including full-time, regular part-time or temporary part-time drivers, shall be required to have a satisfactory medical examination prior to employment.

Safety Management Program and District Personnel

It is the policy of this district to promote a safe work environment for all employees and to take reasonable preventative measures to avoid accidents or injuries to employees. To that end, this policy directs the Board to create and adopt a detailed Safety Management Program compliant with the material requirements of the Occupational Safety and Health Act of 1970 (OSHA). District personnel are required, as a condition of their employment, to read, understand, and abide by all provisions of the District's Safety Management Program.

While the District will take steps reasonably necessary to implement the Safety Management Program, the Board recognizes that the employees are the "first line of defense" against safety violations, and requires them to use their best judgement to prevent the kinds of avoidable or reasonably foreseeable accidents contemplated by the Safety Management Policy.

Finally, the Board (by way of this policy and Policy 9400) shall interpret any violation of the Safety Management Policy by any employee as necessarily and categorically outside the course and scope of the violating employee's employment with the District.

### Maintenance and Food Service Employees

All maintenance, transportation, and food service employees shall comply with the following, additional safety standards as well as any others outlined in the District Safety Program:

2. Instruct current and new employees on safe work procedures and emphasize specific job hazards and how to avoid them;
3. Inspect work areas; observe employees performing daily tasks; and determine unsafe work habits, conditions, and general housekeeping in the work area;
4. Report immediately to the administration any unsafe conditions beyond their ability to correct or cure, or which they suspect could develop into an unsafe condition beyond their ability to correct or cure;
5. Investigate and submit a complete report of any accident or injury within 24-hours;
6. Determine the cause of each accident and take corrective action;
7. Evaluate employee performance for the ability to correct workplace safety issues.

### Disciplinary Action

Supervisors shall take necessary disciplinary measures to ensure safety rules and safe work practices and procedures are not violated. In any situation constituting a potential or foreseeable threat to health and safety, or comprising an actual violation of the District's building safety policy, any employee responsible shall be made aware that the District will

not tolerate nor be held liable for unsafe conduct by an employee. Situations necessitating supervisor intervention under this policy section may include, but are not limited to:

1. Accidents resulting from failure to abide by the provisions of the District Safety Program;
2. Failure to use available personal protective equipment;
3. Failure to use proper lifting techniques;
4. Failure to observe hazardous footing conditions; and
5. Misuse of equipment.

In situations where there is a willful, reckless, or negligent disregard for safety rules or the employee fails to accept and follow safe work practices, disciplinary action will be undertaken, up to and including termination of employment.

Paraprofessionals, Teachers' Aides and Paraeducators

Teachers' Aides and paraeducators, as defined in the appropriate job descriptions, are under the supervision of a principal, and a teacher to whom the principal may have delegated responsibility for close direction. The nature of the work accomplished by aides will encompass a variety of tasks that may be inclusive of "limited instructional duties."

Under federal law, a paraprofessional, also known as a "paraeducator," an "education assistant" or an "instructional assistant," is defined as an individual who is employed in a preschool, elementary school, or secondary school under the supervision of a certificated or licensed teacher, and includes persons employed in language instruction educational programs, special education programs, and migrant education programs.

Aides are employed by the District mainly to assist the teacher. An aide is an extension of the teacher, who legally has the direct control and supervision of the classroom or playground and responsibility for control and the welfare of the students.

In compliance with applicable legal requirements, the Board shall require all paraeducators with instructional duties that are newly hired in a Title I school-wide program to have a high school diploma or general equivalency diploma (GED) **and:**

1. Demonstrate through a state approved academic assessment knowledge of and the ability to assist in instructing or preparing students to be instructed as applicable to the academic areas they are providing support in; **or**
2. Have completed at least two (2) years of study at an accredited postsecondary educational institution,; **or**
3. Obtained an associate degree or higher level degree;

It is the responsibility of each principal and teacher to provide adequate training for an aide. This training should take into account the unique situations in which an aide works, and should be designed to cover the general contingencies that might be expected to pertain to that situation.

#### Volunteers / Contractors

The District recognizes the valuable contributions made to the total school program by members of the community who act as volunteers. A volunteer by law is an individual who:

1. Has not entered into an express or implied compensation agreement with the District;
2. Is excluded from the definition of “employee” under the appropriate state and federal statutes;
3. May be paid expenses, reasonable benefits and/or nominal fees in some situations; and
4. Is not employed by the District in the same or similar capacity for which he/she is volunteering.

District employees who work with volunteers shall clearly explain duties for supervising children in school, on the playground and on field trips. An appropriate degree of training and/or supervision of each volunteer shall be administered commensurate with the responsibility undertaken.

In order to maintain a safe environment for the students of this District, the names of all contractors (including subcontractors) who perform work on school property will be provided to the District in advance of performing work on school property. The names of contractors will be checked against the statewide sex offender register and any contractor who is listed on such registry will not be allowed to perform work on school property.

Reduction in Force

It is recognized that the Board has the responsibility to maintain good public elementary and secondary schools and to implement the educational interest of the State, consistent with State and federal educational requirements, including District improvement plans, accreditation requirements, and other school-based issues. However, recognizing also that it may become necessary to eliminate certificated staff positions in certain circumstances, this policy is adopted to provide a fair and orderly process should such elimination become necessary.

The Board has the sole and exclusive authority to determine the appropriate number of certificated employees and to eliminate certified staff positions consistent with the provisions of the State law. A reduction of certified employees may occur as a result of, but not be limited to, the following examples or from other conditions necessitating reductions:

1. Decreases in student enrollment;
2. Changes in curriculum or programs
3. Staffing limitations of the District; or
4. Negative changes in the financial conditions of the District.

The need for implementation of a reduction in force or the elimination of certificated positions is left to the sole discretion of the Board provided however, that no such decision shall be made until after completion of the written evaluation for each certificated staff member and that the decision as to which employee(s) shall be subject to such reduction shall not be made solely on consideration of seniority or contract status.

The Board may choose to implement a reduction in force through the elimination of:

1. An entire program or portions of programs;
2. Positions in certain grade levels only;
3. Positions by category;
4. Positions in an overall review of the District;
5. A portion or percentage of a position or positions; or
6. Any combination of the above.

#### Reduction in Force Procedures

The following definition and procedures shall be used for conducting a reduction in force.

#### Definition

As used in this procedure, "teacher" shall apply to any employee of the District who holds a certificate issued by the State Board of Education who is employed in a teaching or administrative position, below the rank of Superintendent.

#### Procedures

1. Prior to commencing action to terminate teacher contracts under these procedures, the Board will give due consideration to its ability to effectuate position elimination and/or reduction in staff by:
  - A. Voluntary retirements;
  - B. Voluntary resignations;
  - C. Transfer of existing staff members; or
  - D. Voluntary leaves of absence.
2. In the event a reduction in force is required, teachers who are retained pursuant to these procedures may be reassigned if suitable position openings are available in instructional areas for which they are highly qualified and for which the principal has approved transfer pursuant to Idaho Code.
3. In the Board's determination as to the individuals to be released pursuant to the Reduction in Force, consideration will be given to the criteria set out below. Each criterion shall be considered in terms of the total context when selecting those employees who are to be considered for release pursuant to the provisions of these procedures. The following criteria will be considered:
  - A. Area(s) of certification for which the teacher is highly qualified which are classified by the District as hard to fill positions;
  - B. Number of areas of certification for which the teacher is highly qualified;
  - C. Educational or degree status;
  - D. National certifications held;
  - E. Position as a Lead or Master Teacher within the District;
  - F. Whether or not the teacher is highly qualified in a course necessary for high school graduation requirements;

- G. Whether or not the teacher is highly qualified in a course necessary for middle school advancement;
- H. Contribution and/or involvement in extracurricular or cocurricular positions with students;
- I. Compliance with Professional Standards and Conduct over the course of employment with the District; and
- J. Teacher evaluation, including components required by Idaho Code to be encompassed in teacher evaluation.

It is the intention of the Board that the individual and cumulative effect of each criterion on the welfare of students and the best long-term and short-term interest of the District be considered.

It is further the intent of the Board that primary consideration be the quality of instruction and the progress that students are making throughout the course of the school year, as well as that properly endorsed highly qualified instructors be in classroom positions in order for the District to be compliant with federal and State education requirements. Thus, each criterion shall be considered in terms of this total context.

The factors for consideration shall be reviewed on an annual basis by the District's administration to determine whether factors should be added, eliminated, or weighted differently. Such recommendations for modification will then be brought before the Board for consideration.

- 4. The Human Resources Department shall advance notice of the possible reduction in force to all teachers who may be released, based upon the number of teachers who may be released, in whole or in part, and the school programs, teacher positions, or categories of positions that may be affected.
- 5. Upon receipt of this notification, it is recommended that the subject teachers review their personnel file materials with the District's Administrative Office to assure that the school has appropriate information relating to the various criteria referenced above.
  - A. If a teacher receiving a teacher profile believes that there is an error, the teacher shall notify the Human Resources Department of their concern of an error, in writing, by the close of the school day on the fifth (5<sup>th</sup>) school day after the teacher has received notice of the possible reduction in force.
  - B. This written notice shall specifically identify what element or elements of the teacher's personnel file and criteria are believed to be erroneous and explain specifically why the element(s) is believed to be in error.
  - C. If the District receives notice of possible error, each such written notice, timely received, shall be individually reviewed for possible reconsideration or evaluation of the information used in consideration of the Reduction in Force.

- D. Should a teacher fail to inspect his or her personnel file and have inaccurate information in their personnel file and/or have failed to provide the District with updated information, the information contained in the file will be utilized for the Reduction in Force determination and the teacher will not have the opportunity to subsequently correct such information after the reduction in force has been implemented.
6. If the Board determines that a reduction in force will be implemented, the Superintendent shall submit a list of the teachers recommended for release, through use of the above process, and shall make recommendation to the Board as to what due process, if any, the Board needs to implement for each individual personnel situation.
7. All releases shall be done in conformance with the applicable provisions of Idaho Code and all affected teachers will be promptly notified, in writing, of the Board's decision or actions that need to be taken by the Board relating to applicable due process activities, if any.

Employing Retired Teachers and Administrators

One of the Board's personnel goals is to recruit, select, and employ the best qualified personnel to staff the schools within the District. As such, retired employees who leave the District in good standing may be re-employed according to the following guidelines:

1. The District may employ certificated teachers and administrators who are receiving retirement benefits from the public employee retirement system of Idaho (PERSI) for positions requiring such certification. Said employees are hereinafter referred to as "retiree" or "retirees".

These employees shall be employed on a Standard Retired Teacher Contract or Standard Retired Administrator Contract form that has been approved by the State Superintendent of Public Instruction.

2. Any employment contract between the District and retirees shall be separate and apart from the collective bargaining agreement or master agreement between the District and the local teachers association.
3. Retirees employed consistent with this policy and State law shall accrue one (1) day per month of sick leave. No annual sick leave shall be accumulated unless additional sick leave has been negotiated between each individual retiree and the District at the time of employment. Sick leave accrued under Idaho Code § 33-1004H does not qualify for unused sick leave benefits under Idaho Code § 33-1228.
4. The District will provide health insurance and life insurance benefits for retirees hired consistent with this policy.
5. The District shall not employ certificated teachers and administrators who receive or received benefits under the previously existing early retirement program provided in now repealed Idaho Code 33-1004G.
6. Retirees who qualify to be rehired are those who have:
  - A. Reached the Rule of 90;
  - B. Are not participating in the early retirement program; and
  - C. Who are retired at or after 60 years of age.
7. Employees hired pursuant to this policy and who are assigned to work in a specific District building will only be hired and placed into the building upon the approval and consent of the building principal as per Idaho Code 33-523.

Classified Employment and Assignment

Classified employees are those non-certificated employees who are employed by the District or personnel hired in positions which do not require certification.

With the exception of those classified employees who are hired for a stated specified time, all classified employees shall be regarded as “at-will” employees and may be dismissed at the will of either party and the employment relationship may be terminated at any time for any or no reason (so long as the same does not violate public policy or violate any other provision of law).

Such at-will designation will be included in all job descriptions and related written documentation, should the same be implemented by the District. An employment period, as well as other terms and conditions of employment set forth in a job description and/or written contract shall not create a property right as such are included for the specific purpose only of providing notice to the employee of the service and expectations of the District so long as the employment relationship continues.

Classified employees shall have no expectation of continued employment, unless so expressly specified by the District. The District reserves the right to change employment conditions affecting the employee’s duties, assignment, supervisor or grade.

The Board shall determine the salary and wages for classified personnel.

The grievance procedure for classified employees shall be the procedure set forth in Idaho Code. Classified employees may file a written grievance alleging a violation of current, written District approved policy, procedure, or employee handbook, a condition or conditions that jeopardize the health or safety of the employee or another, or tasks assigned outside of the employee's essential job functions and for which the employee has no specialized training. However, neither the rate of pay nor the decision to terminate an employee during the initial 180 days of employment shall be regarded as a proper grievable matter.

Classified Employment and Assignment

Classified employees may file a written grievance alleging a violation of current, written approved policy, procedure, or employee handbook, a condition or conditions that jeopardize the health or safety of the employee or another, or tasks assigned outside of the employee's essential job functions and for which the employee has no specialized training in strict accordance with the procedure set forth herein.

Neither the rate of pay nor the decision to terminate an employee during the initial 180 days of employment shall be regarded as a proper grievable matter.

A classified employee filing a grievance pursuant to this procedure shall be entitled to a representative of their choosing at each step of the grievance process outlined herein. Additionally, the person against whom the grievance is filed and the Superintendent or his or her designee shall be entitled to a representative at each step of the grievance process outlined herein. None of these individuals will be qualified to sit on the advisory grievance panel.

Neither the Board nor any member of the administration shall take reprisals affecting the employment status of any party in interest. The employee filing a grievance shall not take any reprisals regarding the course of the outcome of the grievance nor take any reprisals against any party or witness participating in the grievance.

**Level 1: Informal**

A classified employee with a complaint is encouraged to first discuss it with the building administrator involved, with the objective of resolving the matter promptly and informally. An exception is that complaints of sexual harassment should be addressed as described in Policy 3085 and Procedure 3085P.

**Level 2: Principal**

If the complaint is not resolved at Level 1, the grievant may file a written grievance stating:

1. the nature of the grievance; and
2. the remedy requested.

It must be signed and dated by the grievant. The Level 2 written grievance must be filed with the principal within five (5) days of the event or incident, or from the date the grievant could reasonably become aware of such occurrence.

If the complaint alleges a violation of Board policy or procedure, the principal shall investigate and attempt to resolve the complaint. If either party is not satisfied with the principal's decision, the grievance may be advanced to Level 3 by requesting in writing that

the Superintendent review the principal's decision. This request must be submitted to the Superintendent within five (5) days of the principal's decision.

If the complaint alleges a violation of Title IX, Title II, Section 504 of the Rehabilitation Act, or sexual harassment that is found to not fall within the scope of Policy 3085 and Procedure 3085P, the person who received the written grievance shall turn the complaint over to the Nondiscrimination Coordinator who shall investigate the complaint. The District has appointed Nondiscrimination Coordinators to assist in the handling of discrimination complaints. The Coordinator will complete the investigation and file the report with the Superintendent within thirty (30) days after receipt of the written grievance. The Coordinator may hire an outside investigator if necessary. If the Superintendent agrees with the recommendation of the Coordinator, the recommendation will be implemented.

If the Superintendent rejects the recommendation of the Coordinator, and/or either party is not satisfied with the recommendations from Level 2, either party may make a written appeal within fifteen (15) days of receiving the report of the Coordinator to the Board for a hearing.

### **Level 3: Superintendent**

Upon receipt of the request for review, the Superintendent shall schedule a meeting between the parties and the principal. The parties shall be afforded the opportunity to either dispute or concur with the principal's report. The Superintendent shall decide the matter within ten (10) days of the meeting and shall notify the parties in writing of the decision. If the Superintendent agrees with the recommendation of the principal, the recommendation will be implemented. If the Superintendent rejects the recommendation of the principal, the matter may be resolved as deemed appropriate by the Superintendent.

If the classified employee is not satisfied with the decision of the Superintendent, the Board is the next avenue for appeal. A written appeal must be submitted to the Board within ten (10) days of receiving the Superintendent's decision. The Board is the policy-making body of the school, however, and appeals to that level must be based solely on whether or not policy has been followed. Any individual appealing a decision of the Superintendent to the Board bears the burden of proving a failure to follow Board policy.

### **Level 4: The Board**

Upon receipt of a written appeal of the decision of the Superintendent, and assuming the individual alleges a failure to follow Board policy, the matter shall be placed on the agenda of the Board for consideration not later than their next regularly scheduled meeting. A decision shall be made and provided in writing to the classified employee within twenty (20) days of that meeting. The decision of the Board will be final, unless appealed within the period provided by law.

#### Drug and Alcohol Testing for School Bus and Commercial Vehicle Drivers

School bus and commercial vehicle drivers shall be subject to a drug and alcohol testing program that fulfills the requirements of the Code of Federal Regulations, Title 49, Part 382.

Other persons who drive vehicles designed to transport sixteen (16) or more passengers, including the driver, are likewise subject to the drug and alcohol testing program.

Testing procedures and facilities used for the tests shall conform with the requirements of the Code of Federal Regulations, Title 49, §40, et seq.

#### Pre-Employment Tests

Tests shall be conducted before the first time a driver performs any safety-sensitive function for the District.

Safety-sensitive functions include all on-duty functions performed from the time a driver begins work or is required to be ready to work, until he/she is relieved from work and all responsibility for performing work. It includes driving; waiting to be dispatched; inspecting and servicing equipment; supervising, performing, or assisting in loading and unloading; repairing or obtaining and waiting for help with a disabled vehicle; performing driver requirements related to accidents; and performing any other work for the District or paid work for any entity.

The tests shall be required of an applicant only after he/she has been offered the position.

Exceptions may be made for drivers who have had the alcohol test required by law within the previous six (6) months and participated in the drug testing program required by law within the previous thirty (30) days, provided that the District has been able to make all verifications required by law.

#### Post-Accident Tests

Alcohol and controlled substance tests shall be conducted as soon after an accident as practicable on any driver:

1. Who was performing safety-sensitive functions with respect to the vehicle, if the accident involved loss of human life; or
2. Who receives a citation under state or local law, for a moving traffic violation arising from the accident.

Drivers shall make themselves readily available for testing, absent the need for immediate medical attention.

No such driver shall use alcohol for eight (8) hours after the accident, or until after he/she undergoes a post-accident alcohol test, whichever occurs first.

If an alcohol test is not administered within two (2) hours or if a drug test is not administered within thirty-two (32) hours, the District shall prepare and maintain records explaining why the test was not conducted. Tests will not be given if not administered within eight (8) hours after the accident for alcohol or within thirty-two (32) hours for drugs.

Tests conducted by authorized federal, state, or local officials will fulfill post-accident testing requirements provided they conform to applicable legal requirements and are obtained by the District. Breath tests will validate only the alcohol test and cannot be used to fulfill controlled substance testing obligations.

#### Random Tests

Tests shall be conducted on a random basis at unannounced times throughout the year. Tests for alcohol shall be conducted just before, during, or just after the performance of safety-sensitive functions. The number of random alcohol tests annually must equal 25% of the average number of driver positions. The number of random drug tests annually must equal 50% of the average number of driver positions. Drivers shall be selected by a scientifically valid random process, and each driver shall have an equal chance of being tested each time selections are made.

#### Reasonable Suspicion Tests

Tests shall be conducted when a supervisor or District official trained in accordance with law has reasonable suspicion that the driver has violated the District's alcohol or drug prohibitions. This reasonable suspicion must be based on specific, contemporaneous, articulable observations concerning the driver's appearance, behavior, speech, or body odors. The observations may include indications of the chronic and withdrawal effects of controlled substances.

Alcohol tests are authorized for reasonable suspicion only if the required observations are made during, just before, or just after the period of the work day when the driver must comply with alcohol prohibitions. An alcohol test may not be conducted by the person who determines that reasonable suspicion exists to conduct such a test. If an alcohol test is not administered within two (2) hours of a determination of reasonable suspicion, the District shall prepare and maintain a record explaining why this was not done. Attempts to conduct alcohol tests shall terminate after eight (8) hours.

A supervisor or District official who makes observations leading to a controlled substance reasonable suspicion test shall make a written record of his/her observations within twenty-four (24) hours of the observed behavior or before the results of the drug test are released, whichever is earlier.

### Enforcement

Any driver who refuses to submit to a post-accident, random, reasonable suspicion, or follow-up test shall not perform or continue to perform safety-sensitive functions. Drivers who test positive for alcohol or drugs shall be subject to disciplinary action up to and including dismissal.

A driver who violates District prohibitions related to drugs and alcohol shall receive from the District the names, addresses, and telephone numbers of substance abuse professionals and counseling and treatment programs available to evaluate and resolve drug and alcohol-related problems. The employee shall be evaluated by a substance abuse professional who shall determine what help, if any, the driver needs in resolving such a problem. Any substance abuse professional who determines that a driver needs assistance shall not refer the driver to a private practice, person, or organization in which he/she has a financial interest, except under circumstances allowed by law.

An employee identified as needing help in resolving a drug or alcohol problem shall be evaluated by a substance abuse professional to determine that he/she has properly followed the prescribed rehabilitation program and shall be subject to unannounced follow-up tests after returning to duty.

### Return-to-Duty Tests

A drug or alcohol test shall be conducted when a driver who has violated the District's drug or alcohol prohibition returns to performing safety-sensitive duties. Employees whose conduct involved **drugs** cannot return to duty in a safety-sensitive function until the return-to-duty drug test produces a verified negative result.

Employees whose conduct involved **alcohol** cannot return to duty in a safety-sensitive function until the return-to-duty alcohol test produces a verified result that meets federal and District standards.

### Follow-Up Tests

A driver who violates the District's drug or alcohol prohibition and is subsequently identified by a substance abuse professional as needing assistance in resolving a drug or alcohol problem shall be subject to unannounced follow-up testing as directed by the substance abuse professional in accordance with law. Follow-up alcohol testing

shall be conducted just before, during, or just after the time when the driver is performing safety-sensitive functions.

### Records

Employee drug and alcohol test results and records shall be maintained under strict confidentiality and released only in accordance with law. Upon written request, a driver shall receive copies of any records pertaining to his/her use of drugs or alcohol, including any records pertaining to his/her drug or alcohol tests. Records shall be made available to a subsequent employer or other identified persons only as expressly requested in writing by the driver.

### Notifications

Each driver shall receive educational materials that explain the requirements of the Code of Federal Regulations, Title 49, Part 382, together with a copy of the District's policy and regulations for meeting these requirements. Representatives of employee organizations shall be notified of the availability of this information. The information shall identify:

1. The person designated by the District to answer driver questions about the materials;
2. The categories of drivers who are subject to the Code of Federal Regulations, Title 49, Part 382;
3. Sufficient information about the safety-sensitive functions performed by drivers to make clear what period of the work day the driver is required to comply with Part 382;
4. Specific information concerning driver conduct that is prohibited by Part 382;
5. the circumstances under which a driver will be tested for drugs and/or alcohol under Part 382;
6. the procedures that will be used to test for the presence of drugs and alcohol, protect the driver and the integrity of the testing processes, safeguard the validity of test results, and ensure that test results are attributed to the correct driver;
7. the requirement that a driver submit to drug and alcohol tests administered in accordance with Part 382;
8. an explanation of what constitutes a refusal to submit to a drug or alcohol test and the attendant consequences;
9. the consequences for drivers found to have violated the drug and alcohol prohibitions of Part 382, including the requirement that the driver be removed immediately from safety-sensitive functions and the procedures for referral, evaluation, and treatment;
10. the consequences for drivers found to have an alcohol concentration of 0.02 or greater but less than 0.04; and
11. information concerning the effects of drugs and alcohol on an individual's health, work, and personal life; signs and symptoms of a drug or alcohol problem (the driver's or a coworker's); and available methods of intervening when a drug or

alcohol problem is suspected, including confrontation, referral to an employee assistance program, and/or referral to management.

Drivers shall also receive information about legal requirements, District policies, and disciplinary consequences related to the use of alcohol and drugs.

Each driver shall sign a statement certifying that he/she has received a copy of the above materials.

Before any driver operates a commercial motor vehicle, the District shall provide him/her with post-accident procedures that will make it possible to comply with post-accident testing requirements.

Before drug and alcohol tests are performed, the District shall inform drivers that the tests are given pursuant to the Code of Federal Regulations, Title 49, Part 382. This notice shall be provided only after the compliance date specified in law.

The District shall notify a driver of the results of a pre-employment drug test if the driver requests such results within sixty (60) calendar days of being notified of the disposition of his/her employment application.

The District shall notify a driver of the results of random, reasonable suspicion, and post-accident drug tests if the test results are verified positive. The District shall also tell the driver which controlled substance(s) were verified as positive.

Drivers shall inform their supervisors if at any time they are using a controlled substance which their physician has prescribed for therapeutic purposes. Such a substance may be used only if the physician has advised the driver that it will not adversely affect his/her ability to safely operate a commercial motor vehicle.
